THE HUSKS OF REMINISCENCES.

It must be remembered, in the face of exciting unwarrantable hopes in the minds of such as are afflicted with typical malignance minister every time a Conservative nomination is made in Ontario. From the tone of our contemporary, its readers might be led to infer that Hon. Mr. Foster was not at all anxious to get back into the active political arena. At the West York convention his speech would be supported in the face of exciting unwarrantable hopes in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of such as are afflicted with typical malignance in the minds of well and the minds of such as are afflicted with the minds of the min West York convention his speech would indicate that the reverse was the case and that he would be rather pleased to be once that he would be rather pleased to be once that he would be rather pleased to be once that he would be rather pleased to be once the world be recommended by the convention of the lost that he would be rather pleased to be once the world be recommended by the convention of the lost that he would be rather pleased to be once the world be recommended by the world be recommended by the world be rather pleased to be once the world by the world be recommended by the world be recommended by the world by the more a shining light on the opposition benches at Ottawa. The Sun says that Hon. George E. Foster made an "able and practical speech" at Weston. It is exceedingly strange that the Toronto Telegram (Conservative) does not see eye to eye with its St. John contemporary. The following is an extract from the editorial column of the Toronto journal:

Canada is less interested in what the Laberal leaders said ten years since than in what the Conservative leaders will do

in what the Conservative leaders will do
ten days hence.

The Conservative party is not helped
ten cents worth by the multiphcation of
such speeches as Hon. George E. Foster
delivered to an admiring audience of West
York partisans.

The husks of eloquent reminiscence upon
which Mr. Foster fed his audience are
not the food the opposition needs.
