

4. Every candidate for the Primary examination will be required to present, with his lecture tickets, a certificate of having undergone and passed an examination at the school he has attended at the close of his first winter session on Primary branches. Also a certificate of ability to make and mount microscopic specimens.

5. Each candidate for Final examination must present a certificate of attendance at six post mortem examinations, a certificate of ability to draw up a report of a post mortem examination; a certificate of having reported satisfactorily six cases of clinical medicine; and six cases of clinical surgery, and a certificate of having passed the Intermediate examination, the certificates to be signed by the teachers referred to upon these subjects, or the practitioner holding post mortem.

6. All candidates shall (excepting art graduates) present a certificate of having passed at the close of their third session in the college or school they may have attended, an examination in such parts of medicine, surgery and midwifery as may be thought advisable by the faculties of the respective colleges or schools. This examination is not in any way to interfere with any of the examinations of the Council. One year's attendance after the Intermediate examination as House Surgeon or Physician in any Hospital recognized by the Council shall be held to be equivalent to the fulfilling of the requirements for the fifth year of clinical work.
