"Dan," said a young four-year old, "give me a sixpence to buy a monkey." "We have got one monkey in the house now," replied the elder brother. "Who is it, Dan?" asked the little fellow. "You," was the reply. "Then give me sixpence to buy the monkey some nuts." The brother could not resist.

A HORSE'S PETITION TO HIS DRIVER.—Up the hill, whip me not; down the hill, hurry me not; in the stable, forget me not; of hay and corn rob me not; of clean water, stint me not; with sponge and brush, neglect me not; of soft, dry bed, deprive me not; if sick or cold, chill me not; with bit and reins, oh! jerk me not; and when you are angry, strike me not.

The Greatest Combination KNOWN.

HAGYARD'S

YELLOW OIL

Removes Pain as if by Magic!

USED INTERNALLY AND EXTERNALLY.

This article is so valued by thousands of families that they would not be without it for money, yet it is one of the Cheapest Medicines ever offered to the public. It differs from most medicines in that, while curative internally, it surpasses all other articles as a local outward application, while the rapidity of cure is almost marvellous. In other words it acts with the utmost rapidity. Scientific persons are aware that the combination of certain ingredients in a fixed relative proportion will produce a compound of greater efficacy than any or all of the ingredients not so combined, and further, possesses new qualities and properties not in any other way obtained. The secret of the curative and anodyne properties of the Yellow Oil lies in the combination of its ingredients, which is different from anything before compounded. Its astonishing result is not limited to a few ailments, but has a wider range of application than any other medicine offered to the public.

No danger from exposure to cold when using, but will cure Frost Bites in twenty-four hours. No house should be without a bottle of Hagyard's Yellow Oil, in case of accident. There is no preparation offered to suffering humanity that has made so many permanent cures or relieved so much pain and misery. It is called by some the Good Samaritan, by others, the Cure-all, and by the afflicted an Angel of Mercy. The party buying has no risk to run, as we guarantee every bottle to give satisfaction, or refund the money.

Equally Good for Man and Beast!

AMHERSTBURG, Ont., April 24, 1879.

To Messrs. Millburn, Bentley & Pearson,
Toronto.

Whilst driving from Harrow to Amherstburg, one of my horses was taken with a severe attack of colic, which completely used him up. After trying all the remedies I could get, without any result, your traveller accidentally came along, and asked me to give this a trial, handing me a bottle of Hagyard's Yellow Oil. The first dose done him good, the second put him on his feet, and I was able to continue my journey. Half a bottle saved my horse's life. I would recommend it to all requiring a medicine for colic, and am confident it is a medicine that every horse man should keep. Thanking you for the benefits received,

I remain, yours sincerely,

F. W. HERRING.

Traveller for Messrs. Hyslop, Russell & Co.,
