Value of a Good Reputation.

A young man had volunteered, and was expecting daily to be ordered to the seat of war. One day his mother gave him an unpaid bill with the money, and asked him to pay it. When he returned home at night she said:

"Did you pay that bill?"

"Yes," he answered.

In a few days that bill was sent in a second time. "I thought," she said to her son, "that you paid this!"

"I really don't remember, mother, you know I have had so many things on my mind."

"But you said you did."

"Well," he answered, "if I said I did, I did."

He went away, and his mother took the bill herself to the store. The young man had been known in the town all his life, and what opinion was held of him this will show.

"I am quite sure," she said, "that my son paid this bill some days ago; he has been very busy since, and has quite forgotten about it, but he told me that day he had, and he says if he said then that he had, he is quite sure that he did."

"Well," said the man, "I forgot about it; but if he said he did, he did."

FREEMAN'S

ANTHELMINTIC

WORM POWDERS

Will Destroy the Worms and restore the patient to his natural health, by using them according to directions accompanying each package. Although the child or adult, as the case may be, do not pass the worms so that you may see them, nevertheless, by the judicious use of the **Worm Powder**, you will find a great change in their health; and as they are perfectly harmless in their effect upon the system, the mother should not fail to use them when there is the least suspicion of worms; and should worms not exist, the **WORM POWDERS** will be found beneficial as a purgative medicine. They are pleasant to take, and are highly recommended by persons who have sold them and can testify to the great good they have done.
