A vintage advertisement for a business. The background is a light beige color with a dark, patterned border. In the top left corner, the phone number '685-8941' is printed in red. In the top right corner, the characters '專印' (Special Printing) are enclosed in a decorative black border. Below this, the words '喜帖' (Wedding Invitations) and '餐紙' (Dinner Paper) are written in large, bold red characters. On the left side, there is a black and white illustration of a man in a suit and glasses, sitting at a desk and writing on a piece of paper. On the desk, there are several bottles and a container. The overall style is that of a mid-20th-century advertisement.
