Our Travellers

Are now on their respective routes with a full range of samples for sorting trade. In anticipation of a better sorting trade than usual, we have kept our stock well up in all lines, and we ask all merchants to hold their orders till our representatives call on them. We can supply your wants. We have imported a quantity of Tartan Moth Sheets, an absolute preservative from moths; put up in parcels containing 1 doz. sheets each sheet sixes inches. Can be sold at 10c per sheet. The very thing for wrapping up any winter goods you may have carried over. Commenting on this article, the New York Tribune says: "Tartan enters, moths fly out. It's fly or die." Write for a sample dozen.

Letter orders promptly and carefully filled.
