

“Fortify the System”

Nearly twenty-five years ago we used these words. At that time we knew Scott's Emulsion cured consumption in its early stages. We knew it brought relief to all cases, and prolonged the lives of those far advanced with the disease. But we did not understand the reason why.

Now we know it is in that word, “Fortify.”

You take Scott's Emulsion and you fortify the system against the attacks of the germs of consumption. With this re-enforcement, the body wins in the struggle, and you are cured.

Scott's Emulsion cures weak throats and lungs because the cod liver oil supplies just the fat necessary for the body to enable it to successfully resist the disease. Without this fat, the body rapidly loses in weight and power, and the germs of disease stand a fair chance of winning.

Scott's Emulsion also contains the Hypophosphites. These keep up the nerve power. They strengthen the digestion, give vigor to the nerves, and tone up all the activities of a healthy organism.

Scott's Emulsion also contains Glycerine, a remedy of great value when there is any irritation or inflammation of the throat or lungs.

Best of all, Scott's Emulsion prevents. Take it if you are weak and thin, with a tendency to cough and take cold easily. 50c and \$1.00.
