Totals in lbs.....	175,700	578,400
Value..... \$	12,192	38,056 00

Overseer G. B. McDermot's division comprises Lake Scugog and tributaries. He reports maskinongé on the increase, and feels confident that, with proper protection and the speedy detection and punishment of poachers these waters will, before long, rival Rice Lake for maskinongé and bass fishing. Mr. McDermot's efforts to check the
