# Ru-ber-oid Roofing

Is the peer of any composition roofing made.

It has a proud record of service, covering more than a quarter of a century.

On many a roof the limit of its endurance has not yet been found after more than twenty years of duty.

Inborn quality, from the surface to the centre, is what gives RU-BER-OID its character.

We would suggest you consider this, for your own benefit, when planning to purchase a roof covering for that new or old building.
