I tried three doctors and even went to Montreal to the hospital without getting any relief. I was advised to try Burdock Blood Bitters, so I got three bottles, and before I had the second used I found a big change; now to-day I am cured."

her as good a home as she leaves. I would like the opinion of ladies on that question. Although I am successful, I sometimes think I have waited too long. For other men, the paths of bliss; for me, the lonelier way. There are a large number of bachelors here, is it any wonder, what have many of us to offer a woman? A home you say, but what kind? Although near a station, many are from 15 to 100 miles from a town. If a woman goes back on the prairie and helps to make a home, what has she? The laws of Saskatchewan give a woman no legal share. Boys, play fair, let us be the first to demand of the government remedy for this and ask for homesteads for women. At the same time, if women will use their influence, it can be accomplished. That law is fit for the primeval age. Men, when you get a new seeder or binder is there a good stove and washing machine in the house? When you get a harrow cart does the kitchen floor have an oil cloth? When feed and water are handy at the barn, is fuel and water handy at the house? If any of the boys or girls will correspond with me I will gladly answer. I love fun and any clean sport.

Only a Homesteader.

Homesteads for Women.

Ont., May 1st.

Dear Editor,—I have been a correspondent for some time and enjoy reading your columns very much. I am going to take as my topic "Homesteads for Women." I think if we had the chance to homestead it would help to build up our great West with better settlers. I know if the girls would put forth an effort and get down in earnest and try we could get that petition passed it would be the up-building of the West. I am sure also that the boys would be very willing to help. I sent to Mrs. Graham, 662 Agnes street, Winnipeg, for petition form and if any of you will drop her a line she will be pleased to send them. Now if we are going to accomplish this we must get busy. Would not that make farming more interesting and homesteading would not be that very lonesome life that some class it to be but we must have ambition to carry out our plans. Now I hope that every girl will try and probably all our correspondents will be settled on homesteads near each other, we will not be like strangers but as though we had lived together all our life. I must say I was glad to read how prosperous Happy-Go-Lucky has been but probably his better half will soon spend it for him. I was inspired by the letter written by Conundrum and know he will sympathize with me in this great cause. Start at the bottom and climb up. Now, Mr. Editor, I think I have taken enough of your valuable space, but will say before I close I am a farmer's daughter and would be pleased to hear from any wishing to write me. Leaving my name with you, Mr. Editor, and thanking you for publishing this, I will sign myself, A Girl of To-day.

Signs of Spring.

Ont., April 17, 1912.

Dear Editor,—As I have been an interested reader of your valuable magazine for over a year, I thought I would write a few lines to say how much I appreciate it. I take a great interest in the page under the heading "The Young Woman and Her Problem." It is very helpful to all women. The sugar season will soon be over now and the beautiful month of May will be here. It seems to put new life into a person to see the birds and hear them singing and watch the buds opening up on the trees. My brother is a subscriber to your paper and he says, as indeed we all say, that we would not do without it. Well, Mr. Editor, I must close now if I wish this to escape the gaping jaws of the W. P. B. I will leave out my description, suffice it is to say I am a farmer's daughter, between 15 and 20, and would be glad to hear from any who will write. My address is with the editor. I will sign myself May-flower.

Many patent medicines have come and gone, but Bickle's Anti-Consumptive Syrup continues to occupy a foremost place among remedies for coughs and colds, and as a preventive of decay of the lungs. It is a standard medicine that widens its sphere of usefulness year by year. If you are in need of something to rid yourself of a cough or cold, you cannot do better than try Bickle's Syrup.

Remedies are Needed

Were we perfect, which we are not, medicines would not often be needed. But since our systems have become weakened, impaired and broken down through indiscretions which have gone on from the early ages, through countless generations, remedies are needed to aid Nature in correcting our inherited and otherwise acquired weaknesses. To reach the seat of stomach weakness and consequent digestive troubles, there is nothing so good as Dr. Pierce's Golden Medical Discovery, a glyceric compound, extracted from native medicinal roots—sold for over forty years with great satisfaction to all users. For Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating, Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its outside wrapper the Signature

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of known composition, not even though the urgent dealer may thereby make a little bigger profit.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.

Your Vitality Can Be Restored

Strong, vital, manly men fascinate all who come within their influence. As true as you are a living, breathing human being, I can restore your VITAL STRENGTH there is not a shadow of a doubt as to what I can thus do. BUT

there is a single condition, one restriction I put, a certain solemn promise I exact from you before you can exact a promise from me; namely you must unconditionally agree now at once and forever to discontinue any debilitating excess or dissipation that you may be indulging; with this out of the way, I will do all the rest. Remember what I say; no matter what your present condition, no matter what has happened in the past, just forget it and put yourself in my hands; everything will come out as you wish it. I use no drugs, no lotions, no medicines; I place no foolish restrictions upon you; just lead a natural life, get all the enjoyment you possibly can but cease dissipation; always remember that. I can then restore your vitality; I can take you out of the half-man class and put you in the spot light of full, healthy, contented manly courage; I can make you feel young again and keep you feeling young to a ripe old age, because I drive into your system the one thing which keeps the whole organism in balance, namely VITALITY. My HEALTH BELT is the greatest single self-treatment remedy or VITALITY RESTORATIVE that the world has ever known or probably ever will know. It is worn comfortably about the waist all night every night for two or three months. Thus while you are sleeping it sends a great soft, potent life-giving current of VITAL FORCE into your blood and nerves. There is not a moment's wait. It restores your vitality it takes the pain out of your back, it makes you feel strong and vigorous, it drives away rheumatism, it cures kidney, liver, stomach, bladder disorders.
