Ready-to-Wear Women's Garments can be supplied only in regular stock, sizes as stated. We frequently receive orders for sizes and colors not stated in catalogue; this necessitates writing to the effect that such a size or color is not kept in stock. This delays your order.

Sizes for fur-lined coats illustrated on this page are—32, 34, 36, 38, 40 and 42 bust, and lengths as stated in description. Delays in filling orders are often caused by omitting to state style No., color and size required when ordering. Samples of broadcloth used in these coats sent on request.
