

14659
sight of dear Lord Grey & the other day
& a long letter from him not long
before, in which he talked much
of you, & of your future: -
I think Canada must be glad to have
him for an extra year -
You will find me hard at work on
a long book, - a sort of record
Robert Smere - 20 years after: -

Believe me

very sincerely yours

Mary A. Ward
