I'm awful glad you didn't get
on an overseas draft it's had
enough as it is & you'd likely
regret it as much as you do
what you've already done. &
darling I'll never forget what you
done for me. I never was so lone-
some in my life as I was that
day I left you. I've stayed here
at the camp every night since
I stayed that night I was to
7' ton at mama's there was a
Bingo game in full force when
I got home. Mike, Nannie &
I won five times altogether &
got our money's worth
Mike won a comb & case
& package of sweet cookies
Nannie won a pr. of anklettes
& I won can grape-fruit juice
25 razor blades I told Lloyd
would have kept them for
you but they were them Thinner
& you said they were no
go so got my money back
for them for my aups card
Nannie some proud of winning
again
