CHAPTER	PAGE
Painful mammary glands . . . . .	221
Myofibromata with pregnancy . . . . .	222
Diseases of the decidua and ovum . . . . .	225
Pathology of the chorion . . . . .	226
Hydatiform mole or vesicular mole . . . . .	226
Diseases of the amnion . . . . .	228
Hydramnion, hydramnios or polyhydramnios . . . . .	228
Oligo-hydramnios . . . . .	231
<b>XII.—INTERCURRENT DISEASES OF PREGNANCY . . . . .</b>	<b>232</b>
The acute infectious diseases . . . . .	232
Typhoid or enteric fever . . . . .	232
Scarlatina . . . . .	234
Erysipelas . . . . .	235
Measles . . . . .	236
Smallpox . . . . .	236
Pneumonia . . . . .	237
Cholera . . . . .	237
Tetanus . . . . .	238
Tetany . . . . .	238
Influenza . . . . .	238
Malaria . . . . .	239
Rheumatism . . . . .	239
Bronchocele . . . . .	240
Hæmorrhages . . . . .	240
Lead poisoning . . . . .	240
Mercurial poisoning . . . . .	240
Tobacco poisoning . . . . .	241
Factory employment, pregnancy and childbirth . . . . .	241
Appendicitis . . . . .	242
Tuberculosis . . . . .	249
Cardiac diseases . . . . .	257
Syphilis . . . . .	265
Gonorrhœa . . . . .	269
<b>XIII.—DISEASES OF PREGNANCY AND THE PUERPERIUM . . . . .</b>	<b>272</b>
Diseases of the kidneys . . . . .	272
Nephritis . . . . .	273
Diseases of the bladder . . . . .	280
General toxæmia of pregnancy . . . . .	283
Eclampsia . . . . .	294
Acute or chronic nephritis with eclampsia . . . . .	306
<b>XIV.—EXTRA-UTERINE OR ECTOPIC PREGNANCY . . . . .</b>	<b>310</b>
Primary ectopic gestation . . . . .	313
Hæmorrhages due to ectopic gestation . . . . .	316
Secondary ectopic gestation . . . . .	321
Diagnosis of ectopic gestation . . . . .	322
Differential diagnosis of tubal pregnancy . . . . .	327
Growing pregnancy, full-term pregnancy, dead pregnancy . . . . .	329
