SUDDENLY CALLED

Hugh Neilson, a Former Well Known Resident here Passed Away in Willows, Cal.

The death of Hugh Neilson, which occurred at his home in Kelley's addition at 2 o'clock this morning, was a distinct shock to the community. He had been a sufferer from heart trouble for several years, and yesterday afternoon he was suddenly stricken and never rallied from the shock.

Mr. Neilson was a pioneer of this country, having come here from Canada a number of years ago. He settled in the Elk Creek country and engaged in farming and stock raising until about ten years ago, when he disposed of his interests in that community and came to Willows to reside. He accumulated a modest fortune in the stock business, and engaged in no occupation during his residence in Willows.

"Uncle Hugh," as he was popularly known, was a good, loyal and patriotic citizen. He was a familiar figure on Tehama street, and the many friends with whom he was wont to stop and chat, will miss him, and believe there is not one of us but who will say, "Peace to his ashes."

Deceased was born in Canada and was 72 years of age. A widow, and son Edward, survive him. The latter resides at Milpitas, Santa Clara county.

Short funeral services will be held at the family residence, Sunday morning, at 8.30 o'clock. The remains will be taken to Elk Creek for burial, and the funeral cortege will leave for that place at 9 o'clock. The funeral will be under the auspices of the Masonic lodge of this place, of which Mr. Neilson was a prominent member.

We will all remember Hugh Neilson, and extend our sincere sympathy to his bereaved wife and son.

The foregoing article is from the Willows Journal, of Willows, Cal. Mr. Neilson is well-known in this city, having lived in Chatham township for a number of years. He leaves two brothers, William, of the River Road, Harwich, and James, up the creek. He is an uncle to Mrs. Andrew Coltart, of this city.

Chatham, Dec. 31, 1901.
R. Pritchard, Chief Fire Department, City:

Dear Sir,—Please accept my thanks for the promptness with which yourself and associates in the department responded to the call of fire at the Ark, on the evening of the 21st, and for succeeding in extinguishing the fire with so little damage to either building or stock.

Would say that within fifteen minutes after the fire was extinguished that business was going on as that night, just as if nothing had occurred. Please accept the enclosed five dollars as a slight proof of my appreciation of your promptness.

Yours truly,
H. MACAULAY.
