LILY BULBS AT BROWN BROTHERS & Co.

A distinct and peculiar combination. FELLOWS' COMPOUND SYRUP OF HYPO-PHOSPHITES

FOR THE RELIEF AND CURE OF ALL WASTING DISEASES, Consumption, Bronchitis, Asthma, General Debility, Brain Exhaustion, Chronic Constipation, Chronic Diarrhoea, Dyspepsia, or Loss of Nervous Power. It is unequalled in the treatment of Palpitation of the Heart, Trembling of the Hands and Limbs, Loss of Appetite, Energy or Memory.

It acts with vigor, gentleness and subtlety, owing to the exquisite harmony of its ingredients, akin to pure blood itself. Its taste is pleasant, and its effects permanent. Its first apparent effect is to increase the appetite. It assists digestion, and causes the food to assimilate properly—thus the system is nourished. It also, by its tonic action on the digestive organs, induces more copious and regular evacuations. The rapidity with which patients take on flesh while under the influence of the Syrup, of itself indicates that no other preparation can be better adapted to help and nourish the constitution, and hence be more efficacious in all depression of spirits, shaking or trembling of the hands or body, cough, shortness of breath, or consumptive habit. The nerves and muscles become strengthened, and the blood purified.

READ WHAT THE INVENTOR, MR. FELLOWS, HAS TO SAY ABOUT HIS SYRUP OF THE HYPOPHOSPHITES. In the summer of 1864, I was suddenly effected by a copious expectoration of mucopurulent matter. I had been declining in health for some months, and, being exceedingly nervous, the symptoms caused alarm. As my business was that of a dispensing chemist, the shop was constantly visited by medical men, all of whom tendered their advice. During 1864 and 1865 my chest was examined by ten first class physicians, some of whom pronounced the case Bronchitis; some, not wishing to cause alarm, or unwilling to venture an opinion, gave no decision; some stated unequivocally that I had Tubercular Disease of the Lungs, and located the trouble where the pains were felt. By professional advice, I used, in turn, horse-back exercise, country life, eggs and ale in the morning, tonics, Bourbon whiskey, cod-liver oil, electricity, tar, and various inhalants, but the trouble increased. Expectoration became more profuse and offensive. Night-sweats set in. Cold chills, diarrhoea, dyspnoea, cough, blood-streaked expectorations, loss of sleep, loss of appetite, loss of memory, loss of ambition, accompanied by general prostration, showed themselves. Under the microscope the blood was found to contain but a small portion of vitalized corpuscles; the heart's action was feeble; the pulse intermittent; the stomach could not digest properly, so that flatulency and acidity was the result. Finding the symptoms indicated Consumption, I determined to use every effort to stay its progress, and, if possible, to cure it. I selected the most powerful tonics and moderators, and combined them with the vital constituents of the human body. For months I endeavored to amalgamate them before my efforts were crowned with success. I cannot speak too plainly or too strongly of the effects produced, and the benefits I derived from the composition.

At first my appetite increased; the expectoration became easy, digestion better; the faces became more copious and less frequent; cold chills ceased; night-sweats lessened; I gained in weight; the hacking cough left me; refreshing sleep returned; my spirits became buoyant, the mind active and vigorous. I continued taking the Syrup month after month; but owing to the damp, foggy climate of St. John, my recovery was necessarily slow, although I could observe a gradual return of strength for three years, during which time I continued taking the remedy. My present weight is one hundred and eighty-eight, being thirty-eight above my usual. I have no symptoms left denoting disease. The only notable sign during twelve months was the expectoration. Now that has stopped, and I consider myself well. The reader may ask, How do you know your difficulty to have proceeded from ulcerated or tuberculated lung? I answer, In the most certain of all modes for ascertaining. In March last I coughed from the right lung a piece of PHOSPHATE OF LIME, half the size of a pea, which could have come from no other place, and which the highest authority in Lung Diseases (Laennec) states is the result of tubercle, which has been cured. Added to this, I had the leaden-colored, purulent, blood-streaked expectoration, and the opinion of one of the best diagnosticians in the country. I believe I have experienced all the symptoms incident to the two first stages of Consumption, and have successfully combated them, so that I do not despair of any case where there is left sufficient lung tissue to build upon. I can only add that the mere monetary consideration of increased sales would never induce me to publish this report, but a sincere sympathy for the poor Consumptive, with whose misfortune I believe it villainy to trifle.

Respectfully, JAMES I. FELLOWS, Inventor of Fellows' Compound Syrup of Hypophosphites. SOLD BY ALL DRUGGISTS. When Fellows' Compound Syrup of Hypophosphites is required, ask for "FELLOWS' COMPOUND SYRUP," and be sure no imitation is foisted on other articles thrust upon you. SEND FOR A PAMPHLET. PERRY DAVIS & SON & LAWRENCE, Agents for the Dominion of Canada, MONTREAL. SUBSTITUTES! The public are cautioned against a custom which is growing quite common of late among a certain class of medicine dealers, and which is this: When asked for a bottle of Pain-Killer, they suddenly discover that they are "sold out," "but have another article just as good, if not better," which they will supply at the same price. The object of this deception is transparent. These substitutes are made up to sell on the great reputation of the Pain-Killer; and being compounded of the vilest and cheapest drugs, are bought by the dealer at about half what he pays for the genuine Pain-Killer, which enables him therefore to realize a few cents more profit per bottle upon the imitation article than he can on the genuine.

For SUDDEN COLDS NEURALGIC, RHEUMATIC AND ALL OTHER PAINS IN ANY PART OF THE BODY, PERRY DAVIS' PAIN-KILLER IS UNEQUALLED. IT CURES ALMOST INSTANTLY. The PAIN-KILLER is put up in 2 oz. and 5 oz. bottles, retailing at 25 and 50 cents respectively—large bottles are therefore the cheapest. SOLD BY ALL MEDICINE DEALERS.

Spavin Cured.

St. John, N.B., January 6th, 1880. DEAR SIRS.—In regard to your favor of a few days ago, I would say:—"About one year ago a horse owned by me contracted a large Bone Spavin for the cure of which I tried a number of the liniments and lotions advertised to cure the same, without any effect, and he became very lame. A friend of mine recommended me to try FELLOWS' LEMMING'S ESSENCE. I acted upon his advice, and now I am happy to say the lameness has ceased and the Spavin disappeared. I now consider him entirely cured, and would cheerfully recommend FELLOWS' LEMMING'S ESSENCE as being the best remedy in the market for all lameness that horses are subject to.

Yours truly, THOMAS F. FRY, TAKE ADVICE.

If you are troubled with Indigestion, Jaundice, Bilious Complaints, Bad Breath, Sick Headache, Heartburn, Waterbrash, Loss of Appetite, a sense of fullness or oppression after eating, a furrowed tongue, languor and aversion to exercise of mind or body, dejection of spirits, dimness of vision, or any other diseases arising from Dyspepsia, try FELLOWS' Dyspepsia Bitters. They will give you instant relief. Price 25 cents.

WONDERFUL CURE OF DROPSY AND LIVER COMPLAINT.

SACKVILLE, N.B., March 10th, 1880. C. GATES, SON & Co.—Gentlemen.—For over two years I have suffered from Dropsy and Liver Complaint, and was reduced very low; could not walk across the room. In the meantime I had consulted all the doctors around, wherever I was, but they did nothing that helped. But still I grew worse until my life was despaired of; my neighbors looked for my death at any moment, when your agent J. Ford, gave me a pamphlet, in which I saw my complaint described. He gave me the medicine, which I took, the No. 2, and 3 LIFE OF MAN BITTERS and No. 1 INVIGORATING SYRUP, with the Nerve Ointment and Vegetable Plaster, in all six bottles and in six weeks I was almost well; in ten weeks I was strong and able to work, and to-day weigh more than ever I did in my life. I am a wonder to myself and all that saw me before I commenced taking your medicine and since. I do thank God for your medicine in my case. I can and have freely recommended your medicine to all afflicted as I have been. JONATHAN ATKINSON.

Sworn to before me at Sackville, N.B., this 10th day of March, 1880. JOHN FORD, J.P. Sold throughout the Maritime Provinces.
