FARMERS OF WESTERN CANADA

¶ You cannot be sure of getting all you ought to realize out of your grain except by shipping it in carlots to Fort William or Port Arthur, and having it sold for your account by a first-class grain commission house, acting as your agent. ¶ We possess unsurpassed facilities for so handling Wheat, Oats, Barley and Flax for farmers who ship their grain themselves, because we are an old-established and reliable commission firm, well known over Western Canada as working solely on commission as agents for shippers, and we are prepared to handle to the best advantage for our customers all grain entrusted to us. We make liberal advances against railroad car shipping bills immediately we receive same and make prompt returns after sales have been made. We are not track buyers, and do not buy your grain on our own account, and we always give our customers the name and address of the party or firm to whom we sell their grain. ¶ Please write us regarding prices, market prospects and shipping instructions, and for our "Way of Doing Business," as you will be sure to gain advantage and satisfaction thereby.
