WHAT HAVE YOU GOT TO OFFER:

FARMS, LIVE STOCK, POULTRY, SEED GRAIN?

The Grain Growers' Guide has demonstrated to its advertisers that it can sell their goods: Because its paid circulation is the largest of any agricultural journal in Canada; Because its subscribers are buyers, and Because it brings buyer and seller together.

Small ads. like these, at 4c per word, per issue, will make money for you.

NOTE.—SEED GRAIN.—From information received, The Guide learns that there is no immediate prospect of the Railway Companies giving half rates on Seed Grain in the New Year. If, however, they should decide to give special rates, the announcement of same will at once appear in The Guide. It would be, however, of special advantage to those who have Seed Grain or Grasses to sell, to get their advertisements in the paper without delay.

Get busy and see what you have to sell, write out your ad., enclose money order covering cost of same, and mail it to—
