Winnipeg Dec. 29, Toronto Dec. 28, Calgary Dec. 28, Chicago Dec. 27, St. Paul Dec. 20

figures, but with the urgent demand, the market was well sustained...

Oats presented a general increase in arrivals at the primaries, above the same week of 1916. The Minneapolis market advanced about 2 cents...

There was a sharp decline in flaxseed at Minneapolis, with only a moderate demand at the crushing mills. They held off the market for more satisfactory prices...

SCREENINGS ORDERS IN ALBERTA
The Alberta Department of Agriculture is co-operating with the federal government by undertaking to receive applications for supplies of feed...

CORN UNMATURED
Chicago, Dec. 28.—A great many in the trade, especially the local men, are inclined to be bullish on corn and oats on breaks...

buying appears and pressure is removed. A few of the largest commission houses regard the short interest well diminished and predict a break Wednesday...

FLAX CABLE
Liverpool, Dec. 26.—Argentine weather clear and mild, which is favorable for the movement. Arrivals at ports are increasing...

U.S. MILLS MAKE WAR FLOUR
Minneapolis flour mills will start grinding flour after Dec. 25 under new regulations prescribed by the milling division of the federal food administration...

High grade patent flours which have been known by widely recognized trade marks will not be made after Dec. 25, but the trade marks probably will be retained by most milling companies on the new "war flour"...
