LOOKED FOR TROUBLE—FOUND IT. An Indian from Ottawa and a Frenchman got into a fight in a Cobourg poolroom last Saturday night, and for a time they created considerable excitement. The Indian, who started the rumpus and who was evidently looking for trouble, was brought up in police court Monday and fined \$1.00 and costs. In addition he got a pretty fair licking from the Frenchman.—Sentinel Star.

INJURED WHILE THRESHING. Walter Staples while engaged threshing at Mr. John Beighton's, Fort Britain, last week, met with a very serious and painful accident. Mr. Staples was preparing to lace a belt and had it off the tanning mill. However, before the machine was shut down the belt caught Mr. Staples' foot, and he was rapidly drawn in. Mr. Henry Haskill, who was working there, shut the power off with all possible speed but not before Mr. Staples was severely injured. The ankle was pulled out of the socket, and his foot bent right back on his leg. Every particle of flesh from the ankle half way to his knee was torn off and the bone of the leg was completely bare.

FIRE IN ALEXANDRIA BAY. Several buildings on Walton street, Alexandria Bay, were destroyed by fire on Friday afternoon, 12th inst. The fire affected considerable damage along the waterfront to the boats and buildings there. The loss is estimated at \$50,000. The losses include: Thurston Block, destroyed; yacht Klotowa, owned by E. R. Bradley, of New York, badly damaged; house of Wm. Davis, damaged; steamer under construction for Morris town syndicate for excursion business, destroyed; yacht Sport, owned by the Wilburs, of Bethlehem, Pa., who have a summer home at Sport Island, was on the ways in the path of the flames, but was rescued.—Gananoque Reporter.

OBTAINS FINE SITUATION. On Monday, 15th inst., a large number of friends and well-wishers assembled at Deseronto railway station to bid farewell and Goodspeed to Mr. C. G. Gouge, who was leaving by the 11.25 a.m. train for Montreal, where he is henceforth to be employed with the Royal Trust Company. Mr. Gouge has for upward of three decades been with the Rathbun Company here, filling the most important and confidential positions in their service, and always with highest credit to himself and with equal advantage to his employers. Moreover, by unimpeachable integrity of life, allied with an inborn cordiality of disposition and an unstudied graciousness of manner, he has won the affection and respect of many of our fellow citizens, and more especially of those who were closest to him. He has served the town in the capacity of member of the Public Library Board, and has also been a member of the High School Board.—Post.

The new auto bus is comfortable to ride in and will accommodate at least 16 passengers.—Advocate.

SHORTAGE OF LABOR AT COBOURG. Probably never before in the history of Cobourg has there been such a scarcity of labor as there is at present. The fact is easily accounted for when one realizes that in the neighborhood of 500 Cobourg men have donned the khaki, and are fighting for Britain and world liberty. For some time men for almost any kind of a job have been hard to get. Contractors, coal men and factories have all been running short handed, and banks to keep up their staffs have had to put girls in the junior positions. On Saturday Ferry Ontario No. 2 had to lay up owing to being without a necessary crew. Until the war is over this shortage of labor must be expected, and as time goes on the situation will doubtless grow more acute.—Sentinel Star.

DESERONTO LOSES LEADING CITIZEN. After residing in Deseronto for about nine years, during which time he was manager of the Standard Bank, later having joined the staff of the Dominion Match Co., Mr. R. J. Dewar left on Saturday last for Montreal, where he will be in future in connection with the Match Co.'s offices. Mrs. Dewar and little son will spend a week in Bloomfield with her parents, Mr. and Mrs. Albert Bull. Mr. and Mrs. Dewar will be greatly missed by the citizens of Deseronto, especially the Women's Patriotic League and the Church of the Redeemer of which Mrs. Dewar was an active worker. Mr. Dewar will also be missed by a large circle of friends in and about town. We wish them the best of life's rewards.

"STRIKES IT RICH" IN ALASKAN GOLD MINE. Mrs. B. Brice, of Colborne, has received a newspaper from her old home town, Binghamton, N. Y., in which is told the good luck of her brother, Mr. Dan Galvin, who is now in San Antonio, Texas, this month to investigate reports that his mine there is yielding \$5,000 a week in pay dirt. Mr. Galvin went to Alaska in 1908 and with two partners staked a claim. Things went along fairly good for a time, and he had an opportunity to purchase a good paying business in San Antonio and took it, leaving his partners to look after the mining business. After he left Alaska the partners with his consent leased the property to a syndicate and the lessor worked it until they "struck it rich", as the saying is in Alaska. The average for six weeks has been \$30,000. The lease expires in October and by that time the prospects should be treble what is yielded now, Dan says. The owners receive 25 per cent. of the yield as a rental, but will take it all when they regain possession in October.—Express.

TRAGIC DEATH AT WESLEYVILLE. William Brooking, of Wesleyville, committed suicide Wednesday afternoon by hanging. Deceased was 32 years of age and owing to a recent severe illness last winter had become slightly demented. Wednesday afternoon he appeared as well as usual and chatted quite freely. About four o'clock he went over to his son's farm which adjoins, but not returning for supper, Mrs. Brooking went after him. He had however not visited his son's house and a search was started immediately. Upon visiting the barn the searchers found his lifeless body suspended by a small piece of clothes line which was attached to one of the beams. Mr. Brooking had reached the beam by means of a ladder and after securely fastening the rope jumped. Deceased had been dead about one hour when found.

The late Mr. Brooking was one of the most respected residents of the township and the news of his tragic death caused profound sorrow among his list of friends. His widow, five daughters and six sons survive.—Cobourg World.

MR. HERB FOSTER INJURED. On Friday morning last Mr. Herb Foster of the Bloomfield Road was quite seriously injured while delivering milk in town. His horse became frightened and started to run away while Mr. Foster had left the rig to deliver a bottle of milk at a home on East Main street. Mr. Foster managed to reach the horse before it got away but he was thrown down and dragged some distance. He was severely bruised about the face and body but managed to stop the horse before it got away. At latest accounts he is recovering nicely from his injuries.—Picton Gazette.

Letters to the Editor

Editor of The Ontario. Dear Sir,—Since writing you my communication of May 17, in answer to Aid, Deacon's remarks in the Council on the proposed \$30,000 grant to the Patriotic Fund, I noticed the following two paragraphs in a report of a patriotic fund conference which took place in Foresters' Hall, Toronto this week,—

Wives' Allowance Reduced. A partial reduction was made in the cases of childless wives, when the report of the sub-committee on eligibility and assistance was adopted by the conference. In a large proportion of cases, married women without children had secured \$10 a month from the Patriotic Fund. The recommendation which will be submitted to the head office is "that all childless wives married before enlistment, and where they have complied with the requirements of the fund, shall be entitled to an allowance of \$5 a month." This decision was arrived at during the special sitting of the sub-committee Wednesday night, and it was submitted to the conference yesterday afternoon.

The other recommendations which were adopted were: That no post-enlistment wives be assisted unless the wife is an expectant mother, that while an expectant mother should be treated as a childless wife, married before enlistment, and when a child is born, she shall be treated as a mother married before enlistment.

I also clipped the following from yesterday's Globe,— London, May 18.—Mainly on the ground that their presence in England has tended to hamper the efficiency of the men, the Canadian Agent-General to-day passed a resolution calling upon Provincial Governments to take prompt steps to discourage officers' and soldiers' wives from coming to this country until the end of the war. "There are over three thousand wives now in the United Kingdom," said the Agent-General, "and this number will be increased during the next two or three months at the rate of a thousand a week. Immediately they arrive they communicate with their husbands, who, perhaps have only just returned from the trenches, urging them to obtain a further few days' leave. In a vast majority of cases this, of course, is impossible owing to military exigencies, but in spite of that they persist in demanding the intervention of the Agent-General and High Commissioner, and when they find that they are helpless in the matter the good ladies take things into their own hands and write to the military authorities. In not a few cases they have communicated with the commanding officer direct without the knowledge of the husband, to whom such behavior causes some anxiety. It is far better for the wives to remain in Canada with friends than to come here on the off chance of seeing their husbands, then spending several months' amongst strangers."

Does this not indicate one of the uses the patriotic fund is being put to by the recipients? I do not think the contributors ever thought or intended that the money should be so used. But if the writer is correctly informed the money has been in many other ways used to a considerable extent for the purchase of luxuries. Hence a spirit of apathy seems to be taking hold of some of the donors to the fund. Of course it is doubtless true that there are some very deserving cases, nevertheless.

ANON. Belleville, May 19th, 1916. PETERBORO RECTOR'S SON ENLISTS. The following from the North Bedford Optimist, refers to a former Peterboro youngster, Master Kingsley Langfeldt, son of Rev. Dr. Langfeldt, formerly of St. Luke's church, Peterboro. The young bugler was born in Peterboro.— A little chap arrived in the orderly room saying that he wanted to enlist. "As a bugler, I suppose," said the officer there. "Yes," was the answer. "Well, get your father's permission and we will take you." He soon returned with the following letter: "I have much pleasure in giving my son, Kingsley Stephen Langfeldt, the permission and privilege to enlist in His Majesty's forces for overseas service." The battalion salutes you, Private Langfeldt. Master Langfeldt has the distinction of being the youngest recruit to join the colors in this district. He enlisted last week with the 23rd as a bugler boy. He is fourteen years of age.

Lisbon, Portugal, has one of the finest harbors in the world.

TRENTON SOLDIER HOME FROM FRONT.

Sergeant Lorne Foster arrived at Trenton from the front Wednesday afternoon, May 17th. He was met at the C.P.R. station by a large number of citizens, including the Mayor and Council, members of the Board of Trade, Daughters of the Empire and The Patriotic Working Club. He was escorted to his home by a platoon of the 155th Battalion and the Trenton Cadets. He sailed for England on the 6th of May, 1915. On arriving in England he was attached to the 21st Expeditionary Force, with the rank of Quarter Master Sergeant. He served in the trenches in Belgium from the 15th of Sept. to 17th April, seven months. His many friends were pleased to see him looking well. After a few week's rest, he will go to Edmonton and take up his duties as he has been granted a commission as Lieutenant and will be attached to the 151st Battalion, Edmonton, of which Lieutenant-Col. Jack Arnott is in command.—Courier.

FRED SWEENEY WITH REGIMENT. A rumor was current here that Lance Corporal Fred H. Sweeney, of this city, had been killed in action. Mr. D. J. Corrigan wrote to the Record Office, Ottawa, to find out the facts. The reply stated that no report that he had been killed had been received. The last report showed that he had rejoined his regiment on Dec. 12th, 1915. His name has not appeared on any casualty list since that date and as far as is known he is well and serving with his corps. He is a member of the K. of C. and was employed at the Rolling Mills. He lived on Dundas street before going to Montreal, where he enlisted.

POLICE COURT. David Parker, accused of riding on a G. T. R. train without paying his way this morning allowed to go. He had been eight days in custody. Edmund Johnson and Joseph La Braeh were fined \$5 each on charges of being drunk. The men are strangers. Henry A. Young, who was arrested Sunday morning at 2.30 as he got on to a G. T. R. engine was this morning allowed to go.

FOR INDECENT ASSAULT. Pte. Scott, of the 116th Battalion, was arrested in Montreal and held until County Constable Stevens of Oshawa arrived to bring him back here, where he was wanted on a charge of indecent assault upon a girl under 16 years of age. The offence was alleged to have been committed between Oshawa and Whiteby. He was arraigned before Police Magistrate Crysdale on Monday and remanded for eight days. He did not plead.—Vindicator.
