

## FLOODS RECEDING IN CAROLINAS

But Loss of Life Reaches 34, and Property Loss Is Enormous

By Special Wire to the Courier.  
Asheville, N.C., July 19.—Flood waters in the Carolinas and portions of adjacent states were rapidly receding to-day, leaving in their wake a property loss variously estimated at from \$12,000,000 to \$15,000,000, and a list of deaths from drowning that has steadily increased since the waters rose Sunday. To-day the toll of human life stood at 34, with prospects that it might be increased still further.

From Spartanburg, S.C., came a report that persons arriving there said almost all of the small town of Chimney Rock, in Rutherford county, S.C., was washed away, and that there was no sign of its inhabitants. It was pointed out, however, that they might have reached high ground in time to save themselves.

Loss to railroads, industrial plants and agricultural interests in north and south Carolina has mounted into the millions, and it may be weeks before the transportation system is restored. Nearly all passengers marooned since Sunday on trains in this section, had been removed to-day however, and in many localities repair work was being rushed, and thousands of cotton mill spindles were beginning to turn again.

### CASTRO IN NEW YORK

By Special Wire to the Courier.  
New York, July 19.—Former President Cipriano Castro of Venezuela was released from Ellis Island to-day. Accompanied by Mrs. Castro, who shared with him his four days' exile at the federal immigration station, he took up quarters at an up-town hotel. He said that the decision of Secretary of Labor Wilson over-ruling the special board of immigration official in New York, which had denied him admission to the United States, was what he expected. He declined to discuss his plans for the future.

### SPEAKER DROPS POP FLY AND CLEVELAND IS BEATEN

Washington, July 19.—Washington made it four out of five from Cleveland by winning yesterday's game 3 to 2. In the first inning Moeller got a scratch hit to Wambegans, stole second and scored on two infield outs. That was the only earned run of the game. Speaker's muff of Gallia's fly allowed Washington to score twice in the second inning. Roth, who made both of Cleveland's runs, was aided by errors of McBride and Henry. Score:—

## MANY ACCIDENTS IN AMERICAN GAMES YESTERDAY

Schang of Philadelphia, Cullop and Mitchell of New York and Severoid Hurt

Philadelphia, July 19.—Chicago won both games here yesterday, 9 to 2 and 3 to 2, and thereby made a clean sweep of the series of four games. In the first game, Schang stumbled and fell against a cement wall going after a foul. He was carried off the field unconscious, and taken to a hospital. It is feared his right cheek bone and skull are fractured. Although Meyers fanned ten batsmen, Chicago won the second game by bunching hits in the fourth and eighth innings. Scores:—

### SEVEROID IS UNCONSCIOUS

**AFTER COLLISION WITH RUTH**

### TWO MORE HIGHLANDERS MEET SERIOUS INJURIES

New York, July 19.—Willie Mitchell, the veteran left-hander who broke Cullop's winning streak in the first game of the series, came back yesterday with another victory, Detroit winning from New York by a score of 4 to 0. The victory gave Detroit an even break on the six-game series. Detroit won from Markle after an injury forced Cullop's retirement.

In the second inning, Cullop, who has been the Highlander's most successful pitcher, pulled a muscle under his ribs and will be out of the game for ten days at least. This is the fourth star of the Highlanders now on the injured list.

Manager Donovan's troubles were increased in the ninth inning when a line drive from Mitchell's bat struck Caldwell on the right knee, forcing him to limp off the field. The score:—

### GOTCH BREAKS LEG IN EXHIBITION BOUT

**World's Champion Accompanied to Hospital by Jess Willard**  
Kenosha, Wis., July 19.—Frank Gotch, world's champion wrestler, is in the Kenosha Hospital, suffering from a bad fracture of the left leg just above the ankle. The fibula was splintered last evening while Gotch was taking part in an exhibition bout with Bob Monograph, of Chicago, at a circus performance. He will be laid up indefinitely.

Gotch and Monograph had been wrestling less than three minutes. Monograph was holding Gotch's shoulders when the champion made a quick turn for a hip hold. His left foot caught between the mats and the bone was snapped. Gotch fell to the mat and Monograph called a physician.

Jess Willard was in an adjoining tent, and he and Tom Jones accompanied Gotch to the hospital.

## TORONTO WINS ANOTHER GAME

Disposed of Newark Easily by Score of Six to One.

PROVIDENCE IS SLIDING.

League Leaders Use New Pitcher and Blank Richmond.

Toronto, July 19.—When Arthur Irwin recommended Mr. Harold Thompson to Joe Birmingham as a pretty fair kind of an all-round ball player, the veteran evidently knew what he was talking about. Joe immediately got into touch with the player and signed him to a Toronto contract. That was a wise move as amply demonstrated long ago. "Tommy" added lustre to his reputation yesterday by going into the box and beating the Newark Indians 6 to 1. Thompson was signed as a pitcher, but his hitting and his speed in the field and on the bases made him too valuable a man to have sitting on the bench three days out of five. Birmingham realized that and put him into the game regularly as an outfielder, where he has more than made good.

Thompson Pitches Well  
McTigue has been the only left-hander on the Toronto pitching staff, but now it appears that there are two good southpaws on the team. Thompson qualifying yesterday, the outcome of Ragan's double and Pieh's single in the seventh. The Leafs came through handsomely with their bluegums and belted fourteen hits off Enright and Cy. Pieh's single in the seventh. The Leafs came through handsomely with their bluegums and belted fourteen hits off Enright and Cy. Pieh's single in the seventh.

**HOODOO PURSUES BIRMINGHAM**  
After a long and arduous effort to get his badly injured leg into condition, Joe Birmingham stepped into yesterday's game, received a very flattering ovation from the crowd and responded with a corking base hit which scored Toronto's first run in the first inning. Unfortunately he again twisted the bad leg in sliding back to second base, but the injury did not seem to affect his endeavor to get into the game again to-day. Birmingham's fielding and hitting will be a big asset to the team.

### ASKING "SAM" CRAWFORD TO BECOME CANDIDATE FOR SHERIFF'S OFFICE.

Detroit, Mich., July 19.—The Democrats of Detroit are preparing to nominate Sam Crawford, the famous Tiger outfielder, as their candidate for Sheriff of Wayne County.

The Democrats have figured that "Wahoo Sam" would be a popular choice for them to pit against Edward Stein, former great pitcher of the Brooklyn Nationals, who is the leading candidate on the Republican ticket, and thus make a ball-player race out of the Shriever contest in November.

Crawford is in a receptive mood. When the subject was put up to him in New York yesterday he wired: "I would want time to think this over before giving a definite answer. However, if the proposition is put up to me in the proper way, I may accept. I cannot understand why I should be picked out. I know nothing of the intricacies of politics or the workings of politicians. I would like to have the situation thoroughly explained to me before reaching any conclusion."

### MATHEWSON-HERZOG DEAL MAY NOT BE CONSUMMATED.

Cincinnati, O., July 19.—President Hermann of the Cincinnati Nationals said yesterday that an unexpected hitch had developed in the negotiations to trade Manager Herzog of the Cincinnati club for Christy Mathewson and possibly other players of the New York team.

Charles Weegman said he would go the limit in making a deal for Charlie Herzog, manager of the Reds, whom he wants as shortstop of the Cubs. Charles Ebbetts, owner of the Brooklyn Dodgers, made an offer for Herzog, which was turned down. Herrmann said he would not necessarily give the New York club another chance to obtain Herzog before disposing of him to some other team.

## ARGUMENT IN APPEAL ON KELLY CASE IS HEARD

Mr. H. H. Dewart Produced Many Reasons Against Former Verdict.

Winnipeg, July 19.—H. H. Dewart, K. C., continued this morning before the full court or appeal, his argument on the reserved case granted by the trial judge in the case of Thomas Kelly. Mr. Dewart read lengthy sections of the evidence given at the trial by V. W. Horwood, former provincial architect. He claimed improper questions were asked Horwood by crown counsel, that Kelly was dragged in and that much of Horwood's evidence had no connection with Kelly. Dewart contended that parts of Horwood's evidence were introduced to pretry the case against the ex-ministers and to damn Kelly in the eyes of the jury. He instanced in particular the evidence of Horwood in regard to his appearance before the public accounts committee and dealing with the disappearance of William Salt.

At noon to-day the jury panel for the ex-minister's case was formally called and then dismissed for a week.
