FARMERSVILLE, JULY 26, 1887.

LOCAL AND OTHER NOTES.  
From the Pencil of Our Own News-Gatherer.  
Mr. M. M. Fenwick, of Niagara, has been engaged as head master of the Farmersville High School. Mr. Fenwick comes highly recommended.  
Rev. Mr. Blatherwick of Mount Albert, will preach in the Baptist church here on Sunday evening next, at 7 p.m.; at Plum Hollow, at 10.30 a.m., and at Toledo, 2.30 p.m.  
Mr. E. A. Stevens, now of Toronto, who was one of the assistants in the public school here a few years ago, was recently married to Miss Hattie A. Reynolds, formerly first assistant in the Renfrew public school.  
Rev. A. W. Cummings, D. D., of Wellsville, N. Y., gave us a pleasant call this morning. He is enjoying his annual visit to this neighbourhood. He retains much of his youthful vigor, in spite of his very advanced age.  
A lacrosse match between Greenbush and Delta is among the probabilities. The Greenbush boys challenged their Delta rivals to a friendly game and if the challenge is accepted the match will be played here on Saturday next.  
We are sorry to learn of the death this morning, of the Rev. R. N. Jones' eldest child, Dora Winnifred Victoria, a dear little girl of three years and two months. The funeral service will be held in Christ Church at ten o'clock Thursday morning.  
A picnic will be held in Mr. Super's grove, near Frankville, on the 3rd of August. Dinner will be served at noon, to be followed by an interesting programme of music and addresses. The proceeds will go as a donation to Mr. W. J. Crumney. See posters for particulars.  
Our popular townsmen, Mr. A. E. McLean, is called on to mourn the loss of his beloved wife, who, after a lingering illness, died on Sunday last, at the age of 32 years and 7 months. The deceased leaves a motherless child of about a year old. Her loss is lamented by a large number of friends and acquaintances, among whom she was highly esteemed. The funeral takes place this (Tuesday) morning, at 10 o'clock.  
A fine new six-foot sidewalk was put down by the road over-seeer in front of the shops of Wm. H. Jacobs and D. Fisher, Victoria st., last week. The gentlemen furnished the plank and the corporation did the work. On Main st. west, S. A. Taplin has put down a 12-foot walk in front of his buildings. We trust the pluck and perseverance of the commissioners and the money of the corporation will hold out until they repair the sidewalks on both sides of Main st. opposite the properties of Dr. Cornell, R. B. Algire and S. B. Williams. This section is a disgrace to the town.  
There was great excitement in Brockville Saturday over the lacrosse match between the Brockville and Cornwall teams, and the lacrosse ground was thronged by an immense number of interested spectators. The result was something of a surprise to the Island City, the Cornwalls taking three straight. The first game lasted only a minute and a half, and the second game was very little longer. With the third game came the superhuman efforts, and producing a most exciting spectacle. Eye witnesses say that considerable slugging was indulged in. One of the Brockville men was ruled out for this offence and shortly afterwards a Cornwall player met the same fate. The ball was forced through the Brockville goal for the third time after a long and hotly contested struggle, in which the Cornwall men showed much the best team play. Some very fine individual play by members of the Brockville team was a feature of the match.

Alfonso XII, King of Spain, is now seventeen months old and receives a salary of \$1,500,000 a year.  
The neighborhood of Lethbridge (Man.) was crisscrossed this season by twelve families who moved in from Montana.  
A Harrisburg beer seller has had to pay \$89 for the combined pleasure of having the stuff illegally in his possession, and assaulting the officers who seized it.  
"How old are you, my son?" asked an old gentleman of a tot, who was celebrating his birthday. "I'm four," was the reply. "I was getting very tired of being three all the time."  
A Carleton Place veterinary surgeon recently pulled from the mouth of a four-year-old colt a tooth five inches long, the root of which measured four and a half inches. The operation took three hours.

ODDFELLOWSHIP.  
An interesting presentation took place in the Lodge Room of Farmersville Lodge, No. 237, I.O.O.F., on the occasion of the recent installation ceremonies. W. Bro. J. R. Reid, D. G. M., of Brockville, recently recovered from a severe illness, and the Oddfellows of his District, led by the Farmersville Lodge, conceived the idea of presenting him with a testimonial and address, to show their sympathy with him in his affliction and their appreciation of his energetic and successful efforts in behalf of the Order. The project was successfully carried out, and an address was prepared, which was read by Bro. T. M. Porter, and to which the D. G. M. made a suitable and feeling reply. Following is a copy of the address:  
DEAR BROTHER,—We need scarcely say that it was with heart felt sorrow we heard of your serious illness from which you have so lately recovered. Those of us who have had an opportunity of knowing, in some small degree, the amount of time and labor you have expended in the interest of Oddfellowship, believe that your prostration was in a great measure owing to over-exertion while laboring to promote the welfare of our beloved order. To your untiring and self-sacrificing efforts is largely due the rapid progress which Oddfellowship has made in Eastern Ontario, during the last four years.  
Knowing that many other lodges in this portion of the jurisdiction, besides our own, were deeply indebted to you for your timely counsel and assistance, we, the members of Farmersville Lodge, No. 237, I. O. O. F., decided to appeal to such lodges, asking them to join us in expressing, by means of something tangible, our appreciation of your valuable service. Fourteen lodges cheerfully responded and as a result we beg your acceptance of this purse, amounting to \$233.25, as a slight token of the esteem in which you are held by your fellow-craftsmen of Eastern Ontario.  
We pray the all-seeing eye of a Loving Father may ever watch over you; that you may be long spared to your family and to the order in which you are an honored member; that as the sands of life depart you may be drawn nearer and nearer to Christ Our Elder Brother, so that at last you may receive that pleasing commendation, "Well done thou good and faithful servant; inasmuch as ye have done it unto me, enter thou into the joy of thy Lord."  
Signed in behalf of the Brethren.  
A. James, N. G.

Mr. John Moore, cabinetmaker, being ill and unable to attend business, having a fine large side board in stock, some of the benevolently inclined took up the idea of disposing of the same by the sale of tickets. It was announced that the drawing should take place on Friday, as enough and more tickets had been sold to cover the cost of the sideboard. Accordingly at 8 o'clock p.m. all holding tickets went

ed their way to City Hall where the drawing was to take place. So great was the excitement that several fish could be seen in the crowd, among them we saw a fine Sturg-on and a good sized Bass. The gamey Bass secured the prize. Will is a lucky fellow.

A Workingsmen's picnic is talked of here. It is to take place soon.

Brandon editors are not on the best of terms with one another, if one may judge from the following statement made by one of them:—"The jelly fish published in the aroma of a lively stable, yeelp a "Conservative newspaper," is deserving of an early exceeded by its abilities, and its patriotism is beyond bounds. About the time its reputed publisher, Judas II., was arranging to secure the pieces of silver," etc.
