Our Dress Goods and Mantle Cloths are simply marvels of beauty oness, and in Dress Linings and Trimmings we are 15 per cent, be st values, an advantage obtained by buying in very large quantities

We have given special attention, and with gratifying success, to the uring of Men's, Ladies' and Children's underwear. Don't fail to see them;

We are now keeping a large range of Hand-painted Window Shades (40 cent designs) complete, with spring rollers; also Lace Curtains, Curn Poles, Fancy Pole Ends and Fixtures, and all greatly reduced in price.

We make our Gent's furnishing department a speciality, and can give a better Suit, better Pants, better Hat, Boots, Shirt, Collar, or Tie, than can be got elsewhere for the same money. And why? because having a large trade in these lines we give special attention to the buying, dealing only with manufacturers, and getting closest cash prices.

Come and see us. Give us an opportunity to serve you, and you

Good Value

Fair POLITE

The family who spend their money right will succeed. The family who spend their money wrong can not. When you want Groceries and Provisions go to the store and get our prices and see our goods. We claim to give you more value for your dollar than you can get elsewhere. The question will arise, how can this be? It only requires an explanation and you will admit that we can do all we claim. We have always had a large you will admit that we can do all we claim. question will arise, how can this be? It only requires an analysis and a large you will admit that we can do all we claim. We have always had a large trade in Athens, but at the present we are closely connected with another atore in Lyndhurst. This enables us to buy goods in almost car lots; in atore in Lyndhurst. This enables us to buy goods in almost car lots; in a tore in Lyndhurst. This months we have had car lots every month, besides the result of the last six months we have had car lots every month, besides the lots of the last six months we have the can prove by the freight last. We say, and conscientiously, too, that there is no other store in Athens handling this amount of goods. Why is it?

We started business to sell goods, not to give them away. We cannot live without a little profit, but we cut that profit down to the lowest point. We prefer 5 per cent. profit on ten sales before 40 per cent. profit on one. When you want any and everything in Groceries and Provisions, go to Thompson's. Please note the following prices: Best granuluted sugar 20 lbs. for\$1 00

We have purchased this week a whole line of Tea, well worth 35c., which will be sold for 25c per pound. Don't fail to come and see for your self.

Joseph Thompson. Athens, Nov. 1, 1892.

D. W. DOWNEY THE ONE PRICE BARGAIN SHOE HOUSE BOOTS AND SHOES

The new goods coming along daily keep this house away in the lead as to assortment, style and prices. Webeg that you will kindly visit our store, note our prices, and, like hundreds who do so daily, you will be amazed at the special inducements. In Trunks and Valises we are fully prepared for ducements. In Trunks and Valises we are fully prepared for the season's business, which promises to be greater with us than ever before.

ending Nov. 1st,1892:

R. WALKER

A New York company has been sending circulars among the farmers advertising a chemical compound that they call "Black Pepsin," and claiming that its use would increase the proportion of butter made from ordinary clean fully 150 per cent. Prof. H. H. Dean, of the Ontario agricultural college, bought some of the pepsin and experimented with it, the result boing that he found the amount of butter extracted from the cream to which the Pepsin had been added to be really less than would have been obtained in the ordinary way. Prof. Dean, after detailing the result of his experiment, says: I would advise farmers to continue making butter by the latest improved methods, hoping to make the ordinary profits, and giving the service of the ser

ers to continue making butter by the latest improved methods, hoping to make the ordinary profits, and giving black pepsin and all other rich fast compounds a wile birth. It is possible that some new kind of food may be manufactured from milk. It will not be butter, but something which contains more of the solids of milk than does either butter or cheese. If anything new develops we shall be glad at all times to give the public the benefit. An Athens young man had a some what peculiar experience at Lake Eloi-da the other day. Gun in hand, he was reconnoisering for duck along the hore of the lake, when he came unex-

nore of the lake, when he came une-pectedly upon a large flock of gees His eyes grew big as the buns l bakes, and stooping low he made a legant sneak to within easy range He aimed carefully and fired. Whe he opened his eyes he expected to see the lake strewn with dead geese, and at first glance he thought that he had parallyzed the whole flock, as they were all there; but fortunately he either missed his mark, or his was not loaded for geese, for the bird belonged to Mr. Henderson.

Death of Hiram R. Blanchard

From the Huron Expositor of the 18th inst., we learn of the death at is home at Winthrop, Huron Co., Ont., of Hiram B. Blanch Thursday. 17th Nov., at the 54 years. Mr. Blanche brother of Daniel Blan Friend, Nebraska, and was Blanchard homestead
