A TRIBUTE

There's a dainty printing office,
Down beneath the shady trees,
Where the maple leaves are swaying
In the sunlight and the breeze;
All about seems fraught with glad-
ness,
Every shrub and every tree,
And the printing room and sanctum
Are as clean as clean can be.

And the neatly printed paper
That is issued from its dome,
Known to all, the old Reporter,
Welcome guest in many a home,
Corresponds in cheer and cleanness
With the scenes about its birth—
You can have it for one dollar,
And you get two dollars' worth.

Then let us recognize the efforts
Of this staff beneath the trees,
For they always are as busy
As a hive of busy bees—
Recognize their publication
For the good seed they have sown,
Recognize the old Reporter
For its high and moral tone.

For there are publications coming
In across our border free
That's unworthy to be shadowed
By a good old maple tree;
The let us drop those foreign papers
For the one we have at home,
And support its strong endeavor
To maintain its moral tone.

If you have a friend that's distant,
One that to your heart is dear,
Send them our old Reporter,
Send it prepaid for a year,
For when our sojourn here is ended,
When the sands of life are run,
We shall only be remembered
By the good that we have done.

—EPH. ROBESON.

VILLAGE COUNCIL

The Athens village council met in regular monthly session on Monday evening last. All present. After the reading and adoption of the minutes of last regular and special meetings, the clerk read letters from Wm. C. Brest containing offer for the \$8,000 public school debentures, and the clerk of Elizabethton asking the council to appoint a committee to act with others to wait on counties council at its June session in relation to the removal of the toll gates in the county.

On motion, an order was given the town hall building committee for \$17.38 for wood, work and supplies furnished during the winter.

On motion, the clerk was instructed to notify the plank road company to at once repair the culvert opposite the residence of Mort Wilse, so as to remove the stagnant water lying there.

On motion, W. F. Earl was given permission to cross the roadbed of the street to instal his lighting plant, subject to the approval of council.

The road commissioners were, on motion, requested to have Wilse street, from Egin to Henry street, repaired as soon as possible.

The chairman of the school board appeared before the council in relation to the purchase by the village of the refuse stone now on school lot for street purposes. The matter was left in the hands of the road commissioner for action.

On motion, Messrs. Jacob, Slack, and Lamb were appointed to meet with the other delegates to the counties council in relation to the toll gates.

Rev. Mr. Lindsay and W. C. Dowsley appeared before the council in relation to the unsanitary condition of the cellars along the main sewer from Victoria to Sarah street. The council advised them to prepare a petition and present it to a special meeting of the council to be held on Thursday evening, 8th inst.

B. Loverin handed in his resignation of the office of village clerk, also as caretaker of fire engine, to take effect on July 1st. On motion, a raise of \$15.00 was offered him as an inducement for him to withdraw his resignation.

On motion, council adjourned to meet on Thursday evening at 7.30 to consider some important business.

B. LOVERIN, Clerk.

Bank Advertising

The old-fashioned ideas that it would be contrary to the ethics of banking for a conservative financial institution to make a public bid for new business through newspaper advertising, has pretty effectively exploded. Bank advertising is almost as common nowadays as shoe or grocery advertising, and equally effective. It is as easy to influence people in the disposition of their savings as it is to guide them in their spending.
