CLOTHING CO.

BROCKVILLE

Are You a Judge of Clothing?

Very few men are. It's our business to be, and you are welcome to our skill in doing your choosing. We cater to men who want good things, and our stock will prove itself to any one who tests it. First place, our woollens are better than ordinary, when we tell you that garments, many of them, are Genuine Burberry Woollens, made especially for us.

Most men realize what a discord a tie can inflict when good taste does not influence its selection. Our showing of new ties this season is a distinct advance over anything previously attempted. The variety is so great that it is merely a matter of choice rather than decision. A man can get just what he ought to get. Everything here. — We've an almost unlimited variety. Prices 25c to

Loss of Appetite

A person that has lost appetite has lost something besides—vitality, vigor, tone.

The way to recover appetite and all that goes with it is to take Hood's Sarsaparilla—that strengthens the stomach, perfects digestion and makes eating a pleasure.

Thousands take it for spring loss of appetite and every body says there's nothing so good as Hood's.

Card of Thanks

Mrs. Robert Connell of Greenbush returns her sincere thanks to friends and neighbors for their many kindnesses during the illness and following the death of her mother, Mrs. Elizabeth Compo.

Local and General

Telephonic talk in Athens is rather mixed this week in consequence of a gang of linemen being engaged in putting new cables in this exchange. Athens is getting to be an important electric centre.

Mr. Harry Blanchard of Toronto spent a couple of days this week at the home of his parents in Athens. He had been to Carleton Place attending the funeral of his wife's mother, Mrs. (Dr.) Sinclair, who was one time a resident of Delta.

"The People's Column" for small ads affords the public a cheap and effective means of buying, selling, renting or changing. If you have any unsatisfied want or if you want to satisfy the want of some want, make the fact known through this column. It will do you good.

Since the list of contributors to the purse presented to Rev. L. M. Weeks was handed to the Reporter by Mr. Fred Hayes, an Athenian called and added \$2.00 to the sum total, remarking that he was in hearty sympathy with the object, but was away when the list was passing around.

Of late a very pleasant relationship has existed between Mr. John Poland and Mr. and Mrs. Walter Mosher, the husband and wife seeking to master the mysteries of photography under Mr. Poland's tuition. On several occasions the tutor partook of the hospitality of his pupils, and when the final rupture of the entente cordiale took place Mrs. Mosher seized without legal process certain tools of the teacher as security for the payment of a bill for meals and the case was tried in Brockville on Monday. In reporting the case the Times says: Several witnesses were examined from whose evidence it appeared that the complainant had given Mrs. Mosher the property in question in settlement of a bill which he owed her. The proceeding against her was dismissed with costs to be paid by the complainant.

DEATH OF THOMAS PERCIVAL

Many people throughout Leeds County learned with sincere sorrow of the death on Monday last of Thomas Percival, a prominent farmer and dairyman of Plum Hollow. Mr. Percival was ill only a few days, an attack of the illness that threatened his life about a year ago proving fatal.

Deceased was a son of the late Geo. Percival of Chantry, where he was born 56 years ago. He was married to Miss Nichols, daughter of the late Elder Nichols, a Baptist minister of this county, and she, with three children, survives.

The late Mr. Percival took an active interest in public affairs and for several terms was a member of the county council, representing the township of Bastard, of which he was reeve and deputy reeve. He was also a member of the local cheese board, and at the time of his death was the salesman for Plum Hollow factory. He was a Baptist and a Liberal in politics.

REMARKABLE
INVENTION
FOR THE
CULTURE
OF HAIR

THE EVANS VACUUM CAP is a practical invention constructed on scientific and hygienic principles by the simple means of which a free and normal circulation is restored throughout the scalp. The minute blood vessels are gently stimulated to activity, thus allowing the food supply which can only be derived from the blood, to be carried to the hair roots, the effects of which are quickly seen in a healthy, vigorous growth of hair. There is no rubbing, and as no drugs or chemicals of whatsoever kind are employed there is nothing to cause irritation. It is only necessary to wear the Cap three or four minutes daily.

60 DAYS' FREE TRIAL!

The Company's Guarantee

An EVANS VACUUM CAP will be sent you for sixty days' free trial. If you do not see a gradual development of a new growth of hair, and are not convinced that the Cap will completely restore your hair, you are at liberty to return the Cap with no expense whatever to yourself. It is requested, as an evidence of good faith, that the price of the Cap be deposited with the Chancery Lane Safe Deposit Company of London, the largest financial and business institution of the kind in the world, who will issue a receipt guaranteeing that the money will be returned in full, on demand without questions or comment, at any time during the trial period.

The eminent Dr. J. N. LOVE, in his address to the Medical Board on the subject of Alopecia (loss of hair) stated that if a means could be devised to bring nutrition to the hair follicles (hair roots), without resorting to any irritating process, the problem of hair growth would be solved. Later on when the EVANS VACUUM CAP was submitted to him for inspection, he remarked that the Cap would fulfil and confirm in practice the observations he had previously made before the Medical Board.

Dr. W. MOORE, referring to the invention says that the principle upon which the Evans Vacuum Cap is founded is absolutely correct and indisputable.

An illustrated and descriptive book of the Evans Vacuum Cap will be sent, post free, on application.

FRIENDSHIP

WHAT DOES
IT COST YOU

A few days ago two farmers off the B. & W. were seen comparing each others suits.—The taller man said, "You were beat out of \$3.00. Why don't you try Semi-Ready?" The other replied that he was a personal friend of this other merchant and did not like to go past him.

His friendship cost him \$3.00.—You say he was an easy mark, and so he was and yet the bush is full of such people.

Reader, if you buy your clothes at any old price because of friendship, you pay too much—the price is too high for what you get.

Price and Quality are Our Best Salesmen
