The Best on the Market

St. Regis Lumbago Cure
AN INDIAN REMEDY.

Guaranteed to Cure Lame Back or money refunded!

An excellent remedy for Rheumatism, Lame Back, Etc., Etc.

Read the following testimonial from a man you all know:

Forfar, Feb. 6, 1907

Mr. W. A. Singleton, Crosby, Ont.

Dear Sir,—Being laid up with lame back, I thought I would drop you a line to tell you that your St. Regis Lumbago Cure will do all you claim for it, as I have only used part of the bottle and I feel no returning symptoms of the disease.

I may say I have been troubled with lame back for the last ten years, and tried several other patent medicines but without results. I can heartily recommend it to any troubled with lame back, and I feel safe in saying that it's the cheapest medicine on the market.

Yours truly,
JAMES McCUE

If your doctor does not keep this medicine kindly ask him to order same for you as any sized order will be filled promptly.

MODERN METHODS

How They Have Improved a Standard Remedy

In the 17th Century a wave of excitement swept over England and France when the medical profession discovered such wonderful curative elements in the cod's liver.

In the 18th Century cod liver oil was imported and used extensively by physicians in this country, but it was found to be adulterated to a great extent, and the useless heavy oil which enveloped the medicinal elements, a great hindrance to its medicinal value.

In 1855 a famous physician from the Hague went to Norway and after two years of experiment and research produced a light brown oil from the cod's livers which was said to be more valuable than the pale yellow oil, but the taste and odor was so repulsive that it frequently caused such nausea that it made it unpopular.

The most valuable discovery, however, was later made by two eminent French chemists who after years of research discovered an extractive and concentrating process, by which all of the medicinal, healing and body building elements of the cod's liver are separated from the useless and nauseating oil. These recovered medicinal elements combined with peptonate of iron make Vinol the most scientific and valuable cod liver preparation which the world has ever known.

VALUABLE MEDICAL PRESCRIPTION

Recommended by a Well-known Toronto Doctor, Whose Love for Humanity is Greater than His Prejudice Against Proprietary Medicines.

The following very valuable prescription, by an eminent and successful physician, will be appreciated by many who are suffering from la grippe, cold, cough, pneumonia, or any throat, lung or stomach trouble, or run-down system, as it is a certain cure, and will save many a doctor's bill. It is almost a certain preventive as well:—"When you feel that you are taking cold or have chilly feeling or aching in any part of the body or head, or feel weak, tired, dizzy, unfit for work, pain in the head or back of the neck, do not neglect these dangerous symptoms, but send immediately to your druggist and get a bottle of Psychine (pronounced Si-keen), and prepare as follows:

"Psychine, 2 teaspoonfuls.

"Sherry, whisky or water, 2 teaspoonfuls.

"Choice of the latter can be made according to the judgment and preference of the patient.

"Mix thoroughly and take regularly before each meal and at bedtime." This prescription has been used in thousands of cases and has been so universally successful that a number of leading physicians regularly prescribe Psychine in their practice for any of the above troubles, or any run-down, nervous or constitutional difficulty. It is the most reliable and valuable home remedy. It tones up the entire system, giving a feeling of youthfulness and vigor, adding many years to the life of those who use it.

"Years ago I was almost a physical wreck and was suffering with lung troubles. For a long time I thought I would never get better. I began to despair myself. Losing faith in a physician, I procured another one who recommended the use of PSYCHINE. It was surprising beyond description the effect it had. I seemed to gain with every dose. Inside of two weeks I was able to attend to my household again. There are no symptoms of consumption about me now."

MRS. HENDERSON.
