THIS WOMAN'S MISERY

Ended by Lydia E. Pinkham's Vegetable Compound. Remarkable Recovery of Mrs. Church.

Smiths Falls, Ont.—"I suffered with falling of my organs, pains around my heart and in bowels and down my legs, neuralgia in my face and head, and that terrible sinking feeling. I felt that I could not live and would fix my house in order every night so there would be no trouble if I dropped off in the night. My husband went to the drugist to get the best remedy he had and he gave him Lydia E. Pinkham's Vegetable Compound. I took six bottles and felt a lot better. I will always recommend the Vegetable Compound, and you can use these facts as a testimonial."—Mrs. J. O. Church, Box 845, Smiths Falls, Ont.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unparalleled. It may be used with perfect confidence by women who suffer from nervous prostration, displacement, inflammation, ulceration, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion and dizziness. Lydia E. Pinkham's Vegetable Compound is the standard remedy for female ills. If there are any complications about which you need advice write in confidence to Lydia E. Pinkham Medicine Co., Lynn, Mass.

Mrs. Elsie Anderson

There passed away very suddenly on the night of Sept. 24 Mrs. Elsie Anderson of East Glassville at the age of 82. She was born at Hampton Court, London, in 1833, the daughter of Mr. and Mrs. James Wilson. When

163 she was eight years old they moved

PEPS

the real breathable tablets, ease the throat, chest, and lungs cold, coughing. When a nasty cold or a coughing bout foretells the revival of your old bronchial trouble, the best thing to do is to take Peps at once to strengthen and

PROTECT

the chest. When a Peps tablet is taken from its preserving silver wrapper and allowed to dissolve in the mouth, it gives off powerful medicinal and germicidal fumes that immediately circulate with the breath through all the air passages, and destroy any germs that have got into

YOUR

nostrils and throat. At the same time the sore, inflamed membrane is soothed, healed, and protected, phlegm is released from the bronchials, breathing is made easy, and that distressing cough and throat soreness disappear.

By this direct treatment Peps keeps trouble off the

CHEST

and lungs, and the worst weather can be faced without fear of evil consequences. It is the safest plan to always have a few Peps handy to treat a cold, and prevent it reaching the lungs or starting bronchitis and chest weakness.

to Portray, Scotland. She married Jas. Anderson who died 33 years ago, and shortly after his death she and her family came to Canada. Six sons and two daughters are left to mourn: Robert of East Glassville, with whom she made her home, John, Fred, Frank, George and Alexander. The surviving daughters are Mrs. A. McBrine of Glassville, and Mrs. H. Hall of Brewer, Maine.

Mrs. Anderson was a very worthy member of the Presbyterian church which she faithfully served. A woman of true sterling qualities, loved by her friends, she has passed to her reward at a good old age. She shall be greatly missed; but the benediction of her life and service is the inheritance of all who knew her.

BEARSTO-GRAHAM

A wedding took place at the home of Dr. Bearsto, Norgate, Man., on Thursday, Sept. 23, when Elsie Parkin, daughter of Mr. and Mrs. Ernest Graham, of Moore's Mills, was united in marriage to Harold King Bearsto, son of Dr. James Bearsto, formerly of Lakeville. The groom wore the uniform of Lieut. of the 78th, Winnipeg Grenadiers, having received his commission while serving with that battalion in France. The bride was dressed in white georgette over duchess satin and veil of hand embroidered silk net, with orange blossoms, and carried a beautiful bouquet of white roses and asters. The marriage ceremony was performed by Rev. Alexander Sinclair, B.A. The march, Lo-hengrin's Bridal Chorus, was played by Mrs. G. E. Bearsto. The room was very beautifully decorated with autumn leaves and flowers, with arch and bell. After the ceremony, a sumptuous dinner was served the guests in the dining room which was tastefully arranged in pink and white with cut flowers.

The happy couple are spending their honeymoon under canvas among the mountains before taking up residence in Norgate.

Portent of a Mild Winter

On Oct. 9 Mrs. Charles Wallace of Cloverdale brought to The Observer a quantity of fine large raspberries plucked from the bushes along the road from Avondale. George W. Lucy, of The Observer staff, also found a lot of the same fruit on a Sunday morning walk to Pokok. A second crop of native fruits is said to portend a mild winter.

The bridegroom's present to the bride was a handsome necklace set with pearls, she also received many valuable gifts including cut glass, money and linen.

LIKE A MAGNET

THE manner in which Zam-Buk draws disease and poison out of the skin has been aptly described as "magnetic." Sores and wounds are cleansed and soothed, new healthy skin grows, in a way which is a positive revelation in the art of skin-healing.

Even obstinate and long-standing sores yield in an astonishing way, for Zam-Buk has antiseptic and germicidal properties that cannot be found in any other preparation. Zam-Buk

Draws Disease out of the Skin.

The marvellous success of Zam-Buk is due to its rare herbal origin and the scientific methods employed in its blending, refinement and concentration. Then Zam-Buk is entirely free from the animal fats and mineral impurities which make common ointments and salves harmful and even dangerous to some skins.

Dr. Patterson Shibley, of 180, Wyoming Avenue, Washington, D.C. writes: "For sixteen years I have used Zam-Buk in my practice and know nothing to compare with it in skin trouble, from roughness and irritation to chronic skin disease. Zam-Buk, without doubt, has wonderful curative properties, and I always recommend it in preference to other remedies."

When you see the "F" Power and Light Plant

at work you will agree it is the handiest and most practical plant made.

It was designed first of all for producing electric light anywhere and everywhere—cheaply and well, and it does that job to perfection. It floods your home, shop, or other buildings with clean, brilliant light for a few cents a day, and still has power to spare.

When you examine its sturdy construction, and mechanical simplicity, and note its flexibility and ease of operation, you will wonder how it can be sold at the price.

We have no hesitation in telling you the demand for the "F" Plant all over the country is so great, that now is the time to install your plant if you want the advantages of Power and Light at low cost.

Come in any day and see the "F" Plant in operation, or send me a post card asking for a catalogue.
