He said he did not state that Mr. Parkin was teach ing Episcopalian doctrines in the High It is somewhat gratifying to know School, as had been reported in said ourselves, in a given time and live on that the Normal School building which paper, (the Reporter) but what he did line must have been "on a drunk" setgiate School was being run in the interbled down yet. Yesterday however, it denomination and the teacher himself. ests of the University, the Episcopalian was reported to the Chief Commissioner He said he had already shown why in that something was wrong with the the interests of the University, and he floor. An examination was made, when would now read a report of a speech it was found that the floor had sunk made by Mr. Parkin at a church meetseveral inches, and was in imminent ing held in St. John last summer. His Worship then read the extract in which danger of falling to the ground. The the teacher had stated he hoped to be contractor of that building was not a able to turn out 40 pupils for the Episvery honest kind of a man. Had he copalion Church. The fact of the way merely "threw" the work together the most of the students are boarded went whole thing would have tumbled down to show that the school was partly run at once, when a new one, possibly a in the interest of the teacher. He did firm one might be constructed, the cost not think it fair his language should be of which in time would be far less than misrepresented. the bills which will be ever coming in Parkins' speech in St. John, and it was for chronic repairs. Lots of money in reported correctly as read by his Worthe Government till though. A pleas-

> what flatly-on the work as it went for Mr. Parkin. One who has stuck to ahead. Everything was declared to be his religion through life needs to make having heard that he received pay for he who forsakes the religion in which said overseeing. The superintendence by the Doctor reminds us of a story told under Mr. Creed !!-by the painter.

This said painter who by the way is a gabby sort of person was hard at work painting a wall of the new building when the Doctor approached.

The Doctor shut one eye and took the situation—of colors—in with the other. He reached over his usual way, to the painter whispering, "I don't like that color; you do not use the proper sort of paint," and taking out a note.

The Doctor shut one eye and took herself Nina, strayed away from the residue of the undersigned. She has been seen since at Beverly Jewetts, Mouth of Nashwaak and in this city. As the undersigned fears hat her mind is not sound, she requests any one who may harbor her to detain her till the undersigned is heard from, Address MRS, CHAS, E. SAUNDERS, E. Dunphy's W. O., Douglas, and the state of the undersigned is heard from the residue of the undersigned way from the residue of the undersigned way from the residue of the undersigned is heard from Address MRS, CHAS, E. The Doctor left, and the painter putting his thumb on his nose and his little finger on his forehead, took a view of the retreating form as he leered out "you're a nice 'un."

Mr. McIlvaine undertakes to bring the floor into position by means of wedges. The depression is said to be caused by shrinkage of the building each offered a prayer, after which they went material

CITY COUNCIL SPECIAL MEETING.

A special meeting of the City Council was held Monday evening last, and LIVERY STABLES. among the business transacted was the following:-

Exhibition debentures to the amount Exhibition debentures to the amount of \$4,000 were ordered to be issued. A further warrant of assessment of \$500 careful drivers. Large sleigh will seat thirty persons, &c. was issued to pay interest on the exhibition loan and debentures, under the authority of an Act passed at the last session of the Legislature.

The City officers were then appointed. There was no change made from last year either in officers or salaries. The matter of the salaries of the Police Magistrate and the Police was

referred to the police committee. His Worship reported that he had since the last meeting had an interview relief Society, relative to the grant of \$5,000 in aid of the St. John sufferers.

His Worship also stated that he had been negotiating with the Local Govand Phonix Square. The Mayor was Thus ended the ceremony, but the then appointed to arrange said line.
