A REMEDY FOR A MA VELOUS AGE.
HOLLOW YS OINTMENT.
The Grand Eternal Remedy.
 By the aid of a microscope, we see millions of little openings on the surface of our bodies. Through these this Ointment when rubbed on the skin, is carried to an organ or inward part.—Disease of the Kidneys, disorders of the Liver, affections of the Heart, Inflammation of the Lungs, Asthma, Coughs and Colics, are by its means effectually cured. Every housewife knows that salt passes freely through bone or meat of any thickness. This healing Ointment far more readily penetrates through any bone or fleshy part of the living body, curing the most dangerous inward complaints, that cannot be reached by other means.
Erysipelas and Rheumatism, Scorbatic Humours.

No remedy has ever done so much for the cure of disease of the skin, whatever form they may assume, as this Ointment. Curves, Sore Heads, Scrofula, Erysipelas cannot long withstand its influence. The cure has travelled over many parts of the globe, visiting the principal hospitals, disseminating this Ointment, giving advice as to its application, and has thus been the means of restoring countless numbers to health.
Sore Legs, Sore Breasts, Wounds and Ulcers
 Some of the most scientific surgeons now rely solely on the use of this wonderful Ointment, when having to cope with the worst cases of sores, wounds, ulcers, glandular swelling, stiffness or contraction of the joints, ven of 20 years standing.
Piles and Fistulas.
 These and other similar distressing complaints can be effectually cured if the Ointment be well rubbed in over the parts affected, and by otherwise following the printed directions around each pot.

Both the Ointment and Pills should be used in the following cases:—
 Bad Legs, Bad Breasts, Burns, Bunions, Bite of Mosquitoes and Sand Flies, Cerebra, Cheigo-toe, Chills, Chapped hands, Corns, (soft) Cancers, Contracted and Stiff Joints, Erysipelas, Fistulas, Gout, Glandular Swelling, Lumbago, Piles, Rheumatism, Scalds, Sore Nipples, Sore Throat, Skin Diseases, Scurvy, Sore-heads, Tumours, Ulcers, Wounds, &c.
 Sold at the Establishment of Professor HOLLOWAY 214 Strand, (near Temple Bar) London, and 80, Maiden Lane, New York also, by all respectable Druggists and Dealers in Medicines throughout the Civilized World at the following prices:—
 1s. 3s., 3s. 3s., and 6s. sterling, each Pot.
 Sole Agents, John McCarthy, Carbonear; N. & J. Jilary, Harbour Grace; John Stensford, Brigus.
 Wholesale and Retail by
T. MCCONNON, Agent
 N. B.—Directions for guidance of patients in every disorder are affixed to each Pot.

MEDICAL FEES PAID,
 Moderate Premiums.—Large Bonus Declared, 1855.
 Amounting to £2 per cent. per annum on the sum assured; being, on ages from twenty to forty, 20 per cent. on the premium.
PERIODS OF DIVISION EVERY FIVE YEARS
EXAMPLES:

Year of Policy.	Sum Assured.	Premium.	Boards.
1845	29	1020	242 18 4
1846	24	1000	194 5 0
1846	33	2900	480 16 0
1847	10	300	46 4 0
1848	23	100	14 5 2
1849	27	500	46 18 4

This Company added about £30,000 to its permanent capital, for the increased protection of its Insurers. This step distinctly shows that the Company has always acted upon the principle enunciated by one of the directors at the last Annual Meeting of the proprietors—that the interests of the assured have a paramount claim on the directors—a claim superior even to that of the shareholders themselves.
 From that moment, as might be expected, the Company attained the highest success throughout the country, and has retained it ever since. The result is shown in the unexampled fact that its Fire Revenue alone rose in about five years from little more than £30,000 to about £130,000!

A further cause of this rapid growth lies somewhat more below the surface, but is yet of importance. From inquiry we learn that no fire office possessing half the above revenue annually deposits its accounts with the Registrar-general.

The resources and balance-sheet of this great Company are, on the contrary, annually registered, and unmistakable evidence is thus given periodically of its capacity to meet its engagements.—*Morning Herald*, December 16, 1855.

Indeed, the bonus of the 'Royal' may be pronounced to be larger than any yet declared by the mass of the English offices. Here is an office which yields a fairly easy and wholesome reversionary bonus of 80 per centum in its Life Branch, and in regard to fire operations, can make this very enviable boast, that it has exceeded the fire business of all but two of the London Fire offices—viz.: the receipt of nearly £130,000 per year in Fire premiums alone—some of which ancient offices have been in existence for a century! Equally successful and singular in both departments. Indeed, the Life Department may be said to present results equally worthy of mention.—*Morning Chronicle*, November 28, 1855.
