JUDGES ADRRESS GENTLEMEN OF THE JURY,-There is not a single prisoner in the jail, and there is little business to take up your attention at this court. There is one case of larceny which will come before you, and there are two cases from previous courts with which you may have to deal. You will visit the jail, and if you bring in your presentment to-morrow I may be in a position to discharge you at an early hour. There are a few civil cases to be heard on this occasion, but taken all in all the court is a light one. I have known Gode-rich when the docket—both civil and criminal—was far heavier.

AUCTION SALE VALUABLE PROPERTY TO TAKE PLACE ON THURSDAY, APRIL THE 26th, 1883

THERE WILL BE SOLD BY PUBLIC AUCTION. to the highest bidder, that valuable property known as "Cherrydale Farm," situated in the Township of Colborne, County of Huron, near the Town of Goderich. The property is well improved, and comprises a tract of land containing about 180 acres of the best farming land in the Township, including rich alluvial river flats, with a frontage on Maitland River of over one half mile.

The orchards are extensive, there being over 1000 fruit trees, and as a fruit farm it has a reputation unsurpassed in the township. To a person wishing to engage in the culture of the grape, there is probably as fine a site for a Vineyard as can be found anywhere. About 5 acres are now ready for setting out with vines.

2nd.—The barns and stables are ample and large, covering about a quarter of an acre of land.

We congratulate your Lordship on the absence of crime in our county, and we are happy to observe a diminishing of, and in many places absence of, crime throughout the Province. We hope this state of things will continue, and that at all future Assizes which your Lordship may be spared to preside over, prisoners may be as scarce as they are at this.
