LACOMBE CROPS

ARE IN SPLENDID SHAPE. Prospects as good as in any part of Alberta and growth up to the average.

Bulletin Staff Correspondence. Lacombe, Alta., July 20.—A hundred miles south of Edmonton the crop prospects are as bright as anywhere in Alberta.

On the farm of J. C. Southwell, two miles north of Lacombe, on the Edmonds trail, there are splendid grain fields as far as the eye can reach.

The prospects on the whole were never better in the Lacombe district. said A. Urquhart, a prominent merchant of the town.

The grain test plots on the Lacombe Experimental Farm are in an ideal condition. Spring wheat has been raised with wonderful success.

The first cutting of alfalfa on the Experimental Farm was made yesterday. A few more cuts will be made before the mower.

LOCAL OPTION FIGHT BEGINS NEXT SPRING

No Contests in Alberta This Year. According to Rev. Mr. Fortune...

On the farm of Percy Switzer, three miles southeast of Lacombe, on the east side of the Canyon road...

Splendid fields of oats and barley covering from fifty to one hundred acres are to be seen on either side of the Canyon road.

On the farm of Harry Metcalfe, a fine view is to be had of this valley, stretching out for miles a panorama of cultivated fields.

North of Blackfolds are several fine stands of wheat. On the McKay farm, five miles south of Lacombe...

On the Rimberg farm, three miles south of Lacombe, and on the farm of Senator Talbot, a mile from the town, adjoining the experimental farm...

Three miles west of Lacombe on the Galt Lake trail, Jesse Fraser has a full stand of fall wheat covering about one hundred acres which is de-

FARMERS' PICNIC

HELD AT CLOVER BAR. Three Local Unions of U.F.A. Held Annual Outing on Wednesday of This Week.

The annual picnic held under the auspices of the Clover Bar, East Clover Bar, and the Agricul branches of the United Farmers of Alberta, held yesterday, was again a brilliant success.

On the farm of J. C. Southwell, two miles north of Lacombe, on the Edmonds trail, there are splendid grain fields as far as the eye can reach.

The prospects on the whole were never better in the Lacombe district. said A. Urquhart, a prominent merchant of the town.

The grain test plots on the Lacombe Experimental Farm are in an ideal condition. Spring wheat has been raised with wonderful success.

THREW HIMSELF IN FRONT OF C.P.R. TRAIN

Wanted an Hour for the C.P.R. Express and Deliberately Cost Himself a Wound.

William Routledge, a young Scotchman, who has been in this country for five or six years, committed suicide by throwing himself before train No. 1 this evening.

Referring to trade relations with B.C., Mr. Bower stated this was the present time the most pressing question with which the prairie farmer was concerned.

Mr. Bryan then introduced Hon. Duncan Marshall, Minister of Agriculture, who paid a distinguished tribute to Mr. Bower for his activity in the interests of the U.F.A.

The speakers being finished three cheers were given for the King and the Empire.

Following is a list of the athletic events and the winners of the same.

Foot-ball match—Clover Bar, East Edmonton 1, 1.

Dash for boys under 6—M. Atkinson, T. Jackson.

Dash for boys under 10—C. McLean, E. Atkinson.

Dash for girls under 10—R. Taylor, B. Davis.

Dash for boys under 14—Drysdale, C. Ottwell.

Three-legged race—Atkinson-Henry, Cameron-Henry.

WHEAT TURNING

IN WETASKIWIN DISTRICT. Good Average Yield on Well-Worked Land—Farmers See Promise of Big Money in Hay.

Wetaskiwin, Alta., July 22.—Splendid stands of grain are met with everywhere throughout the Wetaskiwin district, and grain growers in general are well pleased with the crop prospects.

The crop here while a good average one, will probably be somewhat lighter than that of 1909. The manager of one of the large elevators gives the following figures:

A good average crop will be reaped without exception on all land that has been broken.

The sharp rise in hay prices and the prospect of \$22 or \$30 per ton later in the season, has set the farmers of this district thinking more of the hay crop than the grain crop.

MANITOBA CONDITIONS BAD.

No Change in the Gloomy Crop Outlook.

Winnipeg, July 20.—There is no change to report in the weather conditions in Manitoba.

The speaker being finished three cheers were given for the King and the Empire.

Following is a list of the athletic events and the winners of the same.

Foot-ball match—Clover Bar, East Edmonton 1, 1.

Dash for boys under 6—M. Atkinson, T. Jackson.

Dash for boys under 10—C. McLean, E. Atkinson.

Dash for girls under 10—R. Taylor, B. Davis.

Dash for boys under 14—Drysdale, C. Ottwell.

Three-legged race—Atkinson-Henry, Cameron-Henry.

Foot-ball match—Clover Bar, East Edmonton 1, 1.

CAREFUL FARMING

PAYS GOOD DIVIDENDS. Farmers in Stettler and Castor Have Demonstrated Value of Good Farming.

Bulletin Staff Correspondence. Stettler, Alta., July 21.—The prolonged dry weather of the early spring had a marked effect upon the crops of the Stettler and Castor districts.

Only in unevenness of growth and shortness of straw is there evidence of the effects of drought. And even these indications are not general.

WIERD STORY OF PLOT FOR A PUBLIC SCANDAL

Montreal Hears Story of Plans to Mar Equatorial Congress by Enticing Priests to House of Ill-Fame by Deception and Then Having Them Arrested.

Montreal, July 21.—What is alleged to be a plot to mar the success of the equatorial congress, which opens here in September, was brought to the attention of the city council today.

The council appointed a committee of its members to investigate the charges.

There is such a body of Masons in Montreal of the French rite, though but few believe they would countenance such a trick.

This farmer spoke with conviction. His three hundred acres would not produce more than half a crop.

Stettling Their Crops. "People have been trying to sell crops here," said a leading merchant.

Even some of the careless ones have crops this year. The wheat stands over three feet high and promises a fair crop.

In general, wheat has pulled through better than oats. Where oats are short wheat is about the usual height.

Other Fine Fields. Good North of Stettler. The crops in the district north of Stettler are more promising than those to the south.

Eight Years Sentence For Boy. St. John, N.B. July 21.—Chas. McLoughlin, the sixteen-year-old youth, was sentenced to eight years in the penitentiary.

ABANDON OPEN SHOP POLICY.

Death of Head of Big Firm Due to Cerebral Hemorrhage.

Cincinnati, Ohio, July 20.—Samuel Gompers, president of the American Federation of Labor, announced tonight that the Buck Store and Range Company, of St. Louis, has agreed to abandon its open shop policy.

There is such a body of Masons in Montreal of the French rite, though but few believe they would countenance such a trick.

This farmer spoke with conviction. His three hundred acres would not produce more than half a crop.
