NUMBER 90.

TO DIRECT THE CAMPAIGN FOR RECIPROcity IN ALBERTA

Hon. Frank Oliver Arrives in His Home City From Federal Capital.

Reciprocity Will Carry Country

Western Liberals Have Entered Campaign With Utmost Enthusiasm.

Hon. Frank Oliver, minister of interior arrived in Edmonton yesterday on the C. N. R. leaving Ottawa Saturday evening. Mr. Oliver stayed Tuesday in Winnipeg, addressing an enthusiastic meeting of Liberals there in the evening, and afterwards proceeding west. He will spend the time until the elections chiefly in Alberta, spending the next few weeks in this constituency.

Ontario and Quebec Campaigns. In Quebec the Opposition have handed over their campaign to the Nationalists, and these are waging a fierce war against the Government on the ground that it is too much inclined to co-operation with Great Britain in maintaining the solidarity of the Empire. In Ontario the attack on the naval issue is made from the opposite direction, and the Government is assailed on the ground that it is not doing enough in assisting Great Britain in both provinces, of course, the aim is to secure the support of reciprocity on issues other than the reciprocity question.

In the West the conditions are every-where offering to carry the banner of reciprocity. In fact, the only danger here apparent is in the possibility of the favorably being divided between candidates favoring the agreement, while the anti-reciprocity vote will go solidly for the Opposition candidate. Public sentiment is, of course, predominantly in favor of the agreement, and if a straight fight can be brought between strong candidates representing the favorable and opposing sentiments in each constituency the chances are good for a sweep of the prairie country.

In British Columbia, the opponents of the agreement have been counting with confidence on the fact that the Opposition had a majority of the members from the province in the last House. The issue on which the election of 1908 was held, however, was not reciprocity, and there are signs that the interjection of this issue will materially alter the complexion of the representation from that province. The lumbermen are said not to be averse to the agreement, and the "truck growers" are showing a disposition to support rather than condemn it as they were represented at doing when the agreement was first introduced. If these changes do not oppose the agreement, it does not seem any good reason why the other classes should do so, and there is a fair likelihood of securing a majority of the members from that province for the agreement.

217,000,000 BUSHELS IS LATEST ESTIMATE

Banking Circles in East are Most Interested at Present in This Year's Crop Prospects—Grain Men Very Optimistic.

Toronto, August 8.—The chief concern of the banking circles of Toronto, and, in fact, of the whole country, centres just now around the crop prospects. A reporter yesterday made a tour of the grain houses in the city and was surprised to note the extent of the feeling of optimism regarding the crop outlook in the West, based on reports from their own men in the field. The consensus of opinion is that the crop will even surpass the big estimate made by such authorities as Sir William Whyte, of the C.P.R., who stated that the yield should approximate nearly 200,000,000 bushels. Estimates far and above this were the rule rather than the exception among the grain men, and an average struck from a round dozen of estimates ran into 217 million.

MR. OLIVER REPUDIATES SO-CALLED LIBERAL CONVENTION OF AUGUST 16TH

Since arriving in the city on Thursday, Hon. Mr. Oliver has been engaged in arrangements for the coming election campaign. Seen by the Bulletin last evening he said:

"I have no intention of recognizing the so-called Liberal convention, to be held in the city on the 16th inst. The well-recognized method of calling nominating conventions in Alberta is under the authority of the provincial executive. Conventions have already been called in this manner for the selection of candidates for the contest in four out of the seven Alberta constituencies, and in two of them nominations have already been made. In due course, no doubt such a convention will be called for the Edmonton electoral district. When it is held I will be glad to submit my name as a candidate for nomination. In the meantime, I do not propose to pay any attention to a special arrangement made to secure endorsement for the candidature of any certain man, even though it be called a convention.

"I may say that I do not think the effort to defeat the Liberal cause in the Edmonton district by holding a bogus convention will succeed."
