Attractively-priced MUNICIPALS

During the past quarter Canadian investment demand has particularly concentrated on the securities of the larger Ontario municipalities with the result that their debentures cannot now be obtained to yield more than 4 1/2 p.c. to 5 p.c., and indications are for further appreciation in price.

The debentures of the Province of Quebec and the West-ern Provinces have shared in this advance, though not to the same extent, and for this reason we have added eight of the most desirable of these to our April list.

These carefully chosen municipalities yield from 5 p.c. to 6 p.c., and should show material increase in value during the next few months.

Write for particulars.

The One to Own if You Can Own But One

"That is what a critical user of a 'Globe-Warwick' cabinet says of his equipment. Another says 'It leaves nothing to be desired.' Another says 'So complete yet so concise.' An other 'Perfect in every arrangement.' Another 'It is really indes-scribable.' Another 'A surprising advance in handling records.' An other 'A welcome improvement in the construction'—and so on. The ex-tensive sale of 'Globe' filing cabinets in St. John's is by no means as remarkable as the abundant evidence that it is on merit alone that these devices have earned such universal appreciation. For certain when you become a user you will be well con-tented with your adaptable and re-liable outfit. Mr. Percie Johnson has your catalogue ready for the asking as well as other necessary details."

In the Teepee's Light.

AT THE CRESCENT.

A selection of motion pictures that must win the approval of patrons to the Crescent Picture Palace to-day and to-morrow, and seldom eclipsed, will make up a programme that comprises many features. The principal 12 reel feature, entitled "The Better Father," is a drama full of pathos which is cleverly produced. Following this is a stirring Indian drama, entitled "In the Teepee's Light," in which Marion Leonard impersonates the young girl, twenty-crysal Monday, Betty-Belmont and the old Maid, follow these two thrilling photo plays, and to those who will witness it a hearty laugh is assured. Mr. Sidney Erushaw, vocalist, has already won much popularity and will sing one of the latest American hits. Coming—the wonderful 3 reel dramatization of Masterline's Literary Masterpiece, "Pettas and Molandae."
