ELECTION NEWS.

On Wednesday the Ottawa Times classed Mr. Sturton as a Ministerialist, but the next day it corrected the error, and said he was a Grit of the worst kind. We are glad to find that it gives him such a good character.

The Brockville Recorder says that, now Sir John has been made a member of the Queen's Privy Council, the other members of the Council had better look out or he will "slap their chops."

The London Advertiser says that at the Lambton nomination "Sir John A. Macdonald was in a state of intoxication, several times gave the lie to Mr. Mackenzie, and indulged in the coarsest abuse of the leader of the Opposition. Mr. Mackenzie's calm and gentlemanly demeanor, compared with the orgies of the Premier, produced a profound impression on the audience. Many leading Conservatives were so humiliated by the conduct of the head of their party, that they came up to Mr. Mackenzie after the proceedings, and voluntarily pledged him their support."

The Sarvis Observer says about Sir John's conduct: "While the exhibition of Wednesday last was enough to humble the proudest Conservative in the County, and make him blush that the Premier of the Dominion made such a humiliating spectacle of himself, and brought such disgrace upon the whole country,—it at the same time affords all who have a spark of self-respect left, a notable excuse of cutting their connection with the 'Party of Slander,' of which Sir John on Wednesday last proved himself such a notable ring-leader."

The Essex Recorder has a scheme to dispose of Sir Francis, which, in its opinion, would exactly suit the case. Let the Premier give the Hon. John O'Connor the county judgeship he covets, and having gotten him out of the way, send Sir Francis to Essex.

A St. Catharines paper says that election for Niagara will be thoroughly ventilated. Mr. Currie and his friends have nothing to fear, and they will establish beyond doubt that Mr. Currie polled a larger number of legal votes than his opponent. Evidence of the most direct kind will be forthcoming against Mr. Morrison, quite sufficient to unseat him, and which will debar him from a seat in the present Parliament.

The Mail says that the reason why David Thompson was returned for Haldimand by acclamation was that he promised to give a support to all government measures. What utter rot is this. Why, there was not in the late House of Commons a more steadfast, consistent and unwavering opponent of the Government than David Thompson. There was not a single moment during the last five years when, had Mr. Thompson the opportunity, he would not have voted to throw the Macdonald-Cartier Government overboard, neck and heels. Of all the men who have been returned for the new House of Commons, there is not one who would go farther to oust Sir John A. than David Thompson of Haldimand.

EDITORIAL NEWS.

It is noticed that the death rate in New York city keeps even pace with the thermometer, rising as that rises. Last week the thermometer ranged seven degrees higher than the week previous, and the number of deaths was 107 more than the week previous. The Times calculates, therefore, that every degree which the thermometer reaches above the main temperature 70°, costs in one week the lives of fifteen persons.

It is asserted in Morgan's Trade Journal that the Premier of Canada will shortly be personally engaged in England in making financial arrangements in relation to the loan for the construction of the Canada Pacific Railway.

The St. Catharines Times says that the last 'revelation' of the misdeeds of that fearfully bad man, the Hon. A. Mackenzie, is that he is to blame for the direct and consequential damages resulting from the sinking of the old barge 'Saginaw' in Lock 3, because, forsooth, Mr. Mackenzie worked on the said lock as a stone mason.

An Ottawa correspondent of the Toronto Leader says there is some foundation for the rumor that Cuban agents are at work in Montreal endeavoring to enlist men to serve in the Cuban army. The Government have been apprised of the fact, and will issue a proclamation warning her Majesty's subjects against enlistments of persons for service with the insurgents of Cuba, or fitting out vessels for any such purpose.

The Berlin Telegraph says that Rev. J. F. Dickie, the pastor of St. Andrew's Church, was, last week, made the recipient of a very handsome silk pulpit gown, the gift of one of the members of his congregation. This is another evidence, of many

that already have been given, of the high esteem in which Mr. Dickie, both as a preacher and as a pastor, is held by his people.

It is said that the people of Prince Edward Island are now in favor of Confederation, and that all parties see its advisability and even its necessity.

Mr. Goldwin Smith, in the current number of the Canadian Monthly, referring to the now present election contest, and the unworthy means which will be resorted to in order to gain Party advantages, says: "Already a ready-made faction is trying to make electioneering capital out of an industrial war—as heinous a breach of patriotism, as in an industrial community like ours, it is possible to commit, and one which the community, if it has any regard for its own most vital interests, will sternly resent. The fact is that, in such periods of ignoble frenzy, electioneering capital would be made out of a plague."

Some time ago, says the Huron Expositor, a turkey gobbler belonging to Mr. Solomon J. Shannon, of lot 20, eighth concession, McKillop, was observed to persist in 'setting' on a nest like a hen. Some of the family, remarking the gobbler's singular conduct, placed a number of eggs under him, and on these eggs he continued to sit, only going off to get food, until they were hatched out. Now he is taking care of the young brood in the most motherly way—watching over them and providing for them in a manner that would be no discredit to the oldest and most experienced hen of the barn-yard.

Mr. D. V. Delong, of Woodstock, shipped on Monday, Aug. 12th, from that station, a 'month's make' of cheese from the 'Woodstock Factory,' situated in East Oxford, contiguous to the town. The lot weighed 22,000 lbs., and was purchased by Mr. John Byron of Ingersoll, at 10 cts. per lb.

The Canvass in Cardwell.

ORANGEVILLE, AUG. 24. Mr. Bolton held meetings yesterday at Mono Centre and Camilla in Mono township. He got a capital reception at both places and at the latter Messrs. Hillyard Cameron and Thomas Ferguson were present. The former creates no enthusiasm, and numbers are disgusted at the corrupt sale of the candidates by Mr. Harris. Mr. Bolton is accompanied by Mr. Bowles, Warden of Peel, and Mr. A. H. Dymond, of Toronto. He is a fluent and attractive speaker and very popular with both sides.

North Lanark.

Mr. Caldwell, the Reform candidate, has been elected to the Legislative Assembly of Ontario for this riding as successor to Mr. Galbraith. Mr. Rossmond, a Conservative by education but a supporter of the present Administration was his opponent. Mr. Caldwell's majority is 41.

Napierville.

We are happy to learn that the Hon. A. A. Dorian has been nominated for Napierville, and that Mr. Coupal, the late Liberal member, will retire in his favour.

Another Quebec County Gained.

Montreal, Aug. 24. M. Laflamme, Oppositionist, was elected to-day for Jacques Cartier.

THE DEATH OF THE LATE REV. DEAN BETHUNE.

The death of this venerable and venerated clergyman occurred on Thursday morning at his residence McGill College Avenue, Montreal. The Very Reverend gentleman was, by far, the oldest clergyman in that city, or, indeed, in the Province of Ontario, being at the time of his decease eighty-two years of age. He was one of the many excellent citizens which this country owes to the stock of U. B. loyalists, who, being too firmly attached to their principles to accept the Republican form of Government which was established in the United States as a consequence of the revolution, left the homes they had made for themselves in the old thirteen colonies to continue their allegiance to the British Crown. His father had settled in South Carolina, having emigrated from the Isle of Skye in 1751; and, as we have said, came to Canada when that with the other colonies ceased to be British. Deceased was brother to the Lord Bishop of Toronto.

The Fall exhibition of Cardwell Agricultural Society will be held at Mono Mills on Tuesday and Wednesday, 8th and 9th of October next.
