THE WEATHER.

TORONTO, Oct. 16-11 p.m.—To-night a well-marked area of high pressure covers the lake region and north part of the Province of Quebec. There is an important area of low pressure over the Northwest States and Manitoba, and higher pressure further west. A hurricane which passed east of Bermuda on Saturday is probably too far out at sea to affect our Nova Scotia coasts. A heavy fall of snow has occurred since Friday in Alberta.

Minimum and maximum temperatures:

Victoria, 36°-52°; Calgary, 14°-28°; Edmonton, 24°-30°; Medicine Hat, 22°-38°; Port Arthur, 36°-48°; Toronto, 50°-57°; Montreal, 50°-64°; Quebec, 48°-64°; Halifax, 38°-58°.

TO-DAY'S PROBABILITIES.

TORONTO, Oct. 17-1 a.m.—Probabilities for the next 24 hours for the lower lakes region (covering the peninsula and as far east as Belleville) are: North-easterly to southeasterly winds; fine weather; not much change in temperature.

Throw Away His Crutches—A True Account of a Remarkable Event.

STATEMENT OF MR. McNEEL.

For eight years I was troubled with a sore on my leg which resulted from having it broken. The doctors kept me in bed five months trying to heal it up, but all to no purpose. I tried all sorts of salves, liniments, ointments, pills and blood purifiers, but with no benefit. In 1883 it became so bad that I had to sit on one chair and use my foot on another for four months, and I could not put my foot on the ground or the leg would rush out in a stream, and my leg would swell to twice its natural size. Eleven months later I was advised to go to the hospital, but I would not, for I knew they would take my leg off. I washed the doctor then crutches, took a scythe and went to work in the field. At the end of the sixth bottle my leg was entirely healed up; pieces of loose bone had worked out of it and the cords came back to their natural places again. That was nine years ago and it has never broken out since. I can walk five miles to-day as fast as any one, and all this I owe to R. B. B., which certainly saved my leg if not my life. I cheerfully recommend it to all sufferers. Give R. B. B. a trial, and it will cure you as it did me. Yours truly, W. McNEEL, St. Ives P.O., Ont.

W. McNEEL, St. Ives P.O., Ont.

Mr. F. C. Sanders, the draughtsman of St. Ives, Ont., certifies to the entire truthfulness of the remarkable statement made by Mr. McNEEL, and says that several other wonderful cures have been made in his district by this unrivaled remedy for bad blood, dyspepsia, biliousness, constipation and all diseases of the stomach, liver, bowels and blood.
