FINANCIAL AND COMMERCIAL

MAPLE SYRUP MAY BE SCARCE

Some People Say Price Will Be \$1.50 Gallon.

LOCAL MARKET WAS A QUIET ONE

Demand for Dressed Pork is

nome today celebrating St. Patrick's Day, or whether it was just an ordirary slow market day, is not known, but at any rate there was less business done on the local square today

Eight loads of hay had been offered

per bushel. One buyer purchased a oad of seed peas at \$1 per bushel. There will be a good demand for dressed hogs tomorrow, as the offerngs yesterday were light.

Maple Syrup. Discussing the sap flow, a number of farmers stated that the prospects were for a poor season, owing to the peculiar weather. There has not been sufficient frost during the winter, and in many places throughout the country

"The sap always runs best on a mild,

The Fruit Crop.

A local fruit merchant states that he has received a number of letters from the Niagara and Leamington districts, concerning the fruit crop. All speak in hopeful terms, and state that from noperul terms, and state that from Toronto, March 16.—Hay, \$12 to \$13 50; present appearances plums and peaches No. 2, \$10 to \$11. will be very plentiful. However, it is a little too early to speak definitely, \$7 50 per ton. a little too early to speak definitely, but within a month or so the dealers will be looking for more reliable re-

Last year's apple crop was particularly poor in this vicinity, and in other parts of Western Ontario, but it is said that the great loss has brought the farmers to their feet, and that they have been giving the orchards more at-

tention recently Should the farmers give the orchards the necessary care this summer, that class of fruit may again come within the reach of the general pub-lic. The tent worm is said to have been responsible for the failure of the last crop, to a great extent.

No wheat was offered, but it is still quoted at \$1 05 Tallow-Prime firm.

GRAIN. TORONTO. Toronto, March 17.-Business is more active on the local grain market than it has been in months. There is a good demand for all classes of grain, and the high prices continue to encourage heavy deliveries. Wheat is not in demand for export, but there is a good local business. export, but there is a good local business. Local dealers' quotations:

Wheat—Ontario No. 2 white or red, \$1 06 to \$1 07; No. 2 mixed, \$1 06 to \$1 07 outside; Manitoba wheat, spot, No. 1, \$1 20; No. 2 northern, \$1 17, on track at Georgian Bay ports; all-rail, No. 1 northern, nominal, at \$1 25 to \$1 25½; No. 2 northern, \$1 22 to \$1 22½; No. 3 northern, \$1 20, delivered at Ontario points. "The sap always runs best on a mild, cloudy day," said one man. "When I was in the business some years ago we used to start tapping in February, and we had a much longer season. Now they never go near the trees until the warm weather comes, and in a couple of weeks the sap is in the top of the trees and they have to quit.

"I think the prices will be much higher this spring, and maple syrup will probably go to \$1 50 per gallon. Sugar will be dearer than a year ago, too."

to \$1 22½; No. 3 northern, \$1 20, delivered at Ontario points.

Barley—No. 2, 63c to 65c; No. 2 extra, 60c to 61c; No. 3 extra, 60c to 61c; No. 3 foc to 63c.

Oats—Ontario No. 2 white, 46c to 47c outside; No. 2 mixed, 45c outside; No. 2 western, 48c on track at lake ports; No. 2, all-rail, 51½c.

Corn—American No. 2 vellow, 74c to 74½c; No. 3 yellow, 73c to 73½c; Canadian nominal, at 70c, Toronto freights.

At the police station when asked why he had taken the sword, etc., Watson said just for a bit of a lark. He also stated that he was a remittance man. The police believe that he has been in trouble before, and Magistrate Love, after hearing the evidence this morning, found him guilty and remanded him for a week. Wat son will in all probability be deported

THE PRICE OF POWER

Continued from Page One.

Will Increase Price. Mr. McEvoy also pointed out that by Brantford and Hamilton dropping While there is no duty imposed upon out. In the contract Hamilton was set down for \$115,650, part cost of the transmission line, and Brantford for is produced, and nine cents when from \$172,770, a total of \$288,420. Ingersoll other than the producing country.

The internal revenue tax on cigar
485 was assessed that municipality. ettes is materially increased, while the leaving \$218,935 to be borne by the other municipalities. London's share is approximately 20 per cent of the total cost, so that almost \$45,000 would be added to London's cost. The anand works of art more than 20 years nual cost of maintaining municipalities amounts to \$12,000 or thereabouts, and London would have to bear that, bringing the cost of power somewhat in excess of the rices quoted

> Below the Estimates Mr. Sifton admitted that might be the case, but pointed out that the tenders are about 15 per cent below would get power little in excess if any "Of course the withdrawal of these

municipalities will leave considerably The duty on refined sugar is re- more to be borne by the rest of them, duced. A reduction of one-half cent | said Mr. Sifton. a pound is also made in the duty on that the cost will not be increased ow-A large number of entries have been starch, with the exception of potato ing to the fact the contracts are much The tariff on pigiron is reduced from justed, and I look for little or no increase in cost of power."

in the paragraphs assessing duties on PERE MARQUETTE **ENGINE DERAILED**

> On a Siding North of Ottaway Avenue -Train Delayed.

Pere Marquette engine No. 183, a heavy freight locomotive, was derailed on one of the sidings north of Ottaway avenue at 7:30 this morning, tving up the line for about half an hour. One of the main line rails was broken by the weight of the engine, and the regular M. C. R. passenger was delayed until the section gang replaced it. The freight engine was slightly damaged.

Eczema, Salt Rheum.

Eczema or Salt Rheum, as it is often called, is one of the most agonizing of skin diseases. It manifests itself in little round blisters, which contain an extremely irritating fluid. These break and subsequently a crust or scale is formed.

The intense burning, itching and smarta fng, especially at night or when the part is exposed to any strong heat, are almost

The pre-eminent success which Burdock Blood Bitters has met with in permanently curing a disease of such severity is due to its wonderful blood cleansing and punity. ing properties.

No other remedy has done, or can do, so much for those who are almost driven to distraction with the terrible torture, as our thousands of signed testimonials can

Mrs. John O'Connor, Burlington, N.S., writes :- " For years I suffered with Salt Rheum. I tried a dozen different medicines, but most of them only made it worse. I was advised to try Burdock Blood Bitters. I got a bottle and before I had taken half a dozen doses I could see a change so I continued its use and now I am completely

sured. I cannot say too much for you wonderful medicine." For sale by all druggists and dealers
