A Peculiar Play.

An unusual play, and a funny one, pecurred in the sixth inning. Lapp was on third and Coombs on second when Murphy hit to Wagner, the latter throwing to the plate to catch Lapp. But Lapp scampered back to third, which he found occupied by Coombs. with Murphy on second. Cady tagged Lapp at third but, as he was entitled to the base, he was safe. Coombs returned to second and Murphy moved back toward first. Hall threw wild to Janvrin in an effort to catch Murphy. Lapp scored and the other Athletics again moved up a base each. Score:

SENATORS TAKE FIRST FROM CHANCE'S MEN Washington, April 10 .- President Wil-Washington, April 10.—President Wilson forgot about the tariff and matters of state for more than two hours today, and watched Washington defeat the New York team of the American League by a score of 2 to 1 in the opening baseball game of the season here. He tossed the first ball from the grand stand, according to custom. He was obviously an interested spectator, applauding and cheering frequently as the game proceeded. Burns can do everything that is required of an outfielder. He is a splen-

did baserunner and fielder, and nobody has noticed anything weak about his throwing. He has a strong rival for his position in Claude Cooper, last year in the Texas League, and it seems certain that McGraw will carry them both and McCormick as well.

LONDON CLUB HAS SEVERAL "DUTCH" PLAYERS ON LIST

However, It Is Not Expected This Will Give a "Limburger" Taint to the Team That Manager Deneau Will Put On the Field This Summer.

No matter what other claims Manager Deneau can make for the collection of ball players he is bringing to London in two weeks, he can claim, without fear of contradiction, that he has the "Dutchiest" team in the league. A perusal of the list of ball players signed up by the London club for the coming season will reveal the fact that nearly half of them boast of Dutch, or rather German, names.

Whether his two-year association with the Berlin club and its Dutch supporters has inoculated Manager Deneau with the habit of going out after the gents with the German monakers, is hard to say, but the list of London players shows that he has a leaning in this respect.

Its Been Raining Germans.

Only yesterday the contract of a Mr. Schaub, a pitcher, was forwarded to the London club by Manager Deneau, while a few days ago he landed a catcher named Reuttenbusch. About a week ago

## TY COBB SUSPENDED BY AMERICAN LEAGUE

Detroit Star Placed Himself Under Suspension Auto matically By Not Reporting to Tigers Before Opening Game.

Augusta, Ga., April 10 .- "When President Navin accepts my offer, i will report at once, and am in shape to jump right into the game," tonight declared Tyrus Cobb, the Detroit American "hold out."

Cobb, who arrived here this afternoon, declined to divulge the nature of his latest "offer" to the management. "My demands are not exorbitant," he said, "and President Navin

has told me that I am worth all I ask, but the Detroit management is unable to meet the salary demands. If I am worth it, I ought to be paid what I ask." Cobb denied emphatically that any kind of an agreement has been

reached between himself and the Detroit management.

Detroit, April 11.-Tyrus Cobb's troutles are just beginning, instead becoming farther advanced. Had he reported today, ready to sign his contract and to go into the game, everything would have been lovely. As it is, he is automatically suspended and now must be reinstated. His case is out of the hands of the club, and now goes to a tribunal that has no sympathy with the movement for advanced salaries all along the line, which Cobb is believed to be the apostle of, and which does not care particularly about Tyrus himself. This is the first chance that has offered to handle the young man. Under one of the rules of the national commission, a player failing to

eport, must be promulgated as disqualified, and then must make application to the commission for reinstatement. Another rule requires the president of a league to promulgate the notice of disqualification in a case like Cobb's, and bars the player from taking part in a game until the disqualification is removed. There is provision, of course, for a fine.
