was done.

Up to the time the Amur left the weather at Skagway had been very mild, and heavy clothing had to be dis-An all-Canadian road from a larger field and be far more advantageous to the city.

Mr. McCandless had been one of the supporters of an all-Canadian road, but think a disqualification can arise in the such a road would take three years to build and what was wan fed was a road flow. Therefore he would favor the vancouver board's resolution.

The house went into committee, Mr. date of election. In that event the government of the day may be supposed to have some influence over the member to have some influence over the mild, and heavy clothing had to be dissociation.

The house went into committee, Mr. Booth in the chair, on the bill to demeanors—being paradeu oversides.

Booth in the chair, on the bill to determ limits date the plants of the p

plete purchases and covering the estimates of the mining experts of the company who prospected the ground, for all plant and development, was at the legislation. An era of good feeling, never so fully appreciated hitherto, exists between our people and yours, as-suring a firmer friendship between us in future, with all the blessings it will confer. The opportunity for an advance in our civilization and humanitarianism hould be fostered in every way. The Since Mr. Justice Drake resigned the office of deputy local judge in admiralty, owing to the failure of his health necessitating a trip to the Old Country, there sitating a trip to the Old Country, there m. Thos. Earle was strongly in favor of it, saying that under the present circ cumstances British Columbia got very circumstances British Columbia got very correct the meaning failures is constituent to the work of the Imperial parliament a bill of membrane gold. In this view Lieut-Col. Prior, M. P., agreed on the bill excluding aliens from holding placer claims.

New members elected were R. Seabrook, C. F. Todd, R. E. Gosnell, and C. H. Tupper.

Mr. R. E. Gosnell, and C. H. Tupper.

Mr. R. E. Gosnell was present to give the board some information as to the work of the University Extension, pointing out the merits of the course in political economy, political econo ngton gives similar rights to aliens as

Seattle, wrote the leader of the opposition: "Either I or my typewriter omitted the words, 'acquire and,' which
should be inserted between the words
'may' and 'hold,' on the 18th line of
the second page of my letter of this date
to you, thereby giving the law referred
to its literal (and a very important) signification; for there is no doubt in my
mind, as a lawyer of many years' exnification; for there is no doubt in my mind, as a lawyer of many years' experience in our mineral regions, having a fair knowledge of our legislation and judicial decisions in mining law, that the framer of the provision mentioned intended by the use of the word 'acquire' that aliens can 'locate,' as well as take by any other method mining elaims—our

TROUBLESOME BONDING. American Traveller Has Sorry Experience with Canadian Officials in

the North. Capt. J. E. Snevely, of Sandusky, Ohio, has had a sorry experience with Canadian customs officials in the North, but application as a last resort to Collector Milne, of this city, has secured him the only relief possible at this stage. on the latter committee Mr. Clifford has been substituted for Col. Baker, and seven has been fixed as a quorum.

This was subsequent to the argument by Mr. Eberts that means would be found by the Americans to evade the principles of the act; for example, they might organize a commany with five the same through to Circle City, which is in United States territory.

The Captain is agent of the Alaska Cooperative Mining Company. He bought goods for a trip to Circle City in Seattle, and bonded the same through to Circle City, which is in United States territory.

Catarrh Cure, about two years ago. On arrival at the summit of White pass he paid Captain Cartwright, N.W.M.P., the sum of \$252.12, the amount of duty know of several others whom it has curchargeable, and received from Captain Cartwright an order for a refund at Fort Cudahy, upon the goods passing beyond Canadian territory. On arrival at Fort Cudahy the Cartain Cartain territory. On arrival at Fort Sent to any the Cartain territory the Cartain territory. Cudahy the Captain found no customs Since then by corresponofficer there. Since then by correspondence and interviews with all the Canadian officials he could come across in the Northern country he had vainly sought to recover his money, all admitting the probable justice of his claim but denying jurisdiction. At last he arrived at Victoria and laid his trouble before, Mr Milne, who, after the exchange of telegrams with the department at Ottawa was able to make the refund for which this week from Wrangel where he was Capt. Snevely had waited so many
