The Transmit of the average of the property of th

booming of himself? Is there any truth that this gentleman has not even made a formal application other than through Dr. Wilson, ignoring entirely the Minister of Education ? If Sir Daulel has taken up Dr. Schurmann he has only repeated his course in former selfe-tions—gone dead against any Toronto gradu-ate who may be an applicant. Why has Sir Daulel such a prejudice against the men of his own institution ? Don't they amount to much ? The World trusts that Mr. Ross will take the public and university men into his confidence and let them at least know who are in the field 3 and if be is disposed to go out-side of hinnelf for advice that be will give other professors as well as the president an epportunity of passing on the candidates. Sir Daniel is not so far as we know the most competent man to pass on metaphysical

nt man to pass on metaphysical

A New Country Going for New Things. Ere the present year closes it will have itnessed the formal admission of four new atce into the American Union, namely-orth Dakota, South Dakota, Montanas and ashington. The people of South Dakota we already adopted a constitution : those the other territories named will vote upon eir respective documents next month. C on-rning these new States in the far west the at thing to be remarked is the tendency the people toward some new thiors, which the people toward some new things, which plder communities make slower progress public approval. Woman suffrage gets a we shead; but not as much as its suds had hoped for. Both North and ath Dakota, also Montana, will give women a right to vote,at school elections; as some she older States have already done. Mon-ma will give them besides the right upon pro-sals requiring the consent of the taxpayers; d on the general question of woman suffrage ashington is to pronounce in October. South iteta sgain, is to have the woman question ted upon by the first legalature of the State; ich must be beforeflorg. "Another new ques-n-that as to the prohibition of the liquer flic-is referred to the people in Washing-o, and in both the Dakotas; but Montana aves it alone.

leaves it alone. aking an advanced position. South Da-provided that only one-third of the school could be sold at a time, and that there be an interval of five years between the ng of each partion; also that none must d, unless after fifteen years, for less than In the provided that only one-third of the school and a could be sold at a time, and that there must be an interval of five years between the offering of each portion; also that none must be sold, unless after fifteen years, for less than the sold at a time, and that there offering of each portion; also that none must be sold, unless after fifteen years, for less than the sold at a time. They are in a setar ing coudition, and the pople have been driven from their sponding to the pople there the occurstion of Jupiter by the phase. They are in a setar ing coudition, and the pople have been driven from their sponding to the phase. They are in a setar ing coudition, and the pople have been driven from their sponding to the phase. not afraid of what is called "progress." We may be sure also that such school legislation as was in force in old France centuries and would never do for them; though in our own time there are those who would nerpetuate is in Manitobs and Aminibais, if they could.

A Great Institution. The solid old Canade Life Assurance Com-any, in whose welfare a large number of people all over the country take an active interest, has been growing as steadily during the past year as the stately pile bearing its name which now overshadows King-street, The tinancial statement presented at the recent annual meeting shows a very satisfactory years business. The income from all sources has increased from \$1,695,070 to \$1,839,905, a last increased trom \$1,800,070 to \$1,839,900, a gain of \$144,836. The income from interest alone shows an increase of \$50,000, notwith-standing the lower tendency of money. This statement is a concise but forcible commen-tary on those charged with making invest-ments for the commony. The general manager ments for the company. The general management, also, has no cause to feel diffident at place ing the result of their work before the public, as the expense account was but \$225,432, scarce-ly more than 12 per cont of the total in the easier of the total amount of applications for insurance last year was \$5,500,000.

MANUFACTUREES SHEET BRASS

Hard, Spring and Soft Sheet

Schooners arrived yesterday from Charlotte with hard coal for the Ontario Coal Company: W. T. Greenwood, 289 tons; Mary Ann Lydon, 523 tons. Mr. John Catto of John Catto & Co., King-st., has returned from a two monthstrip to the Old Country, and reports having purchased large consignments of the leading fall novel-ties. STENCIL BRASS.

RICE LEWIS & SON (Limited), TORONTO.

The corner stone of the Victoria Hospital for Sick Children will be laid by Mayor Clark co-morrow at 4 p.m., corner of College and Emma-streets.

Emma-streets. Magistrate Dension yesterday refused to five W. W. S. Digman for a violation of the fire limit bylaw, but he admitted that Mr. Digman had violated it. The case has been in court for a long time, and the magistrate held that the real offenders were the aldermen and not Mr. Digman. This settles the much-vexed dispute between Mr. Digman and Mr. Easson. 4.85 | 4.84 to 4.84%
