**STARVED BY ANAEMIA.**  
Health Restored by the Rich Blood Dr. Williams' Pink Pills Ac- tually Make.

Thousands and thousands of young girls throughout Canada are literally passing into hopeless decline for the want of the new rich red blood so abundantly supplied by Dr. Williams' Pink Pills. They are distressingly weak, pale or sallow, appetite fickle, subject to headaches, dizziness, are breathless and the heart palpitates violently at the least exertion. The doctors call this anaemia—which is the medical name for bloodlessness. Dr. Williams' Pink Pills actually make new blood—they cure anaemia just as surely as food cures hunger. Here is a bit of the strongest kind of evidence: "Dr. Williams' Pink Pills and nothing else saved my two daughters when doctors had failed to help them." This statement is made by Mrs. Joseph Martel, St. Oliver Street, Quebec. She adds: "My daughters are aged respectively twenty-two and twenty-three years. For two years they suffered from the weakness and distress of anaemia, and had I learned of Dr. Williams' Pink Pills earlier, it would not only have saved me money, but much worry and anxiety as well. Both girls were as pale as a sheet. They suffered from headaches, poor appetite, and grew so feeble that they could hardly go about. They were under a doctor's care, but did not improve a bit. I despaired of ever seeing them in good health again, when a friend called my attention to Dr. Williams' Pink Pills. Soon after they began the pills there was an improvement in their condition and in less than a couple of months they were again enjoying good health, active robust girls. I am so grateful for what Dr. Williams' Pink Pills have done for my children that I strongly recommend them to every mother who has a weak, pale faced boy or girl."

Dr. Williams' Pink Pills do only one thing, but they do it well—they actually make new, rich blood. They don't tinker with symptoms. They act on the bowels. They simply change bad blood into good blood and thus strike straight at the root of such common ailments as headaches, sideaches and backaches, indigestion, neuralgia, St. Vitus dance, partial paralysis, and the special, painful secret ailments of growing girls and women. Sold by all medicine dealers or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

### BUNDLE-CHALK.

An event of much social interest took place at the home of Mr. and Mrs. John Rundle, 10th line, Brooke, on Wednesday, Nov. 7th, at 4 o'clock, when their only daughter, Minnie E., was united in wedlock to Mr. William T. Chalk. The bride entered the parlor leaning on the arm of her father to the strains of a wedding chorus played by Mrs. T. Kimberly and took her place beneath an arch of green and white cut flowers. She was attired in a gown made of Persian watered lawn trimmed with insertion and frills, as was also the bridesmaid, Miss Edith Stevenson, both carrying bouquets of white flowers. Alex. Rundle acted as best man. The ceremony was performed by Rev. Mr. Wallace, of Inwood, in the presence of the immediate friends of both parties. After congratulations all repaired to the dining room where a beautiful wedding supper awaited them, it being the thirtieth anniversary of the bride's parents wedding day. The evening was spent in games, music and singing. The many and beautiful presents received testify to their popularity. The bride's going away gown was grey broadcloth with hat to match. The happy couple left on the early train to spend a two week's honeymoon in Lacoper, Bay City and other points west, and on their return will reside on the groom's farm joining the bride's old home.
