WATFORD, AUGUST 20, 1915.

CHOP STUFF.

A Chapter of the I. O. D. E. has been instituted at Kingsville.

Walter White, Leamington, has Evergreen corn 10 ft. 4 inches high.

Alvinston's civic holiday Aug. 25th. The band will run an excursion to De. Croit.

Bothwell, Thamesville, Dutton and Rigletown will have hydro-electric power in a few weeks.

Wallaceburg chapter I. O. D. E. raised \$225 for patriotic purposes on civic holiday by selling flags.

Inwood people will celebrate their civic holiday next Tuesday when a patriotic picnic will be held in the Burgess grove.

There is a sunflower belonging to Mrs. Beasley, Petrolia, which is fifteen feet nine inches high.

Reeve T. Chalk, V. S. of Forest, has gone to Great Britain to enter the service of the Empire.

The town council of Forest granted him a leave of absence.

There are too many autos nowadays, to permit leaving cattle on the roads with any degree of safety.

White operating a circular saw at Glencoe, a few days ago Malton Annett had the misfortune to get the second finger of his left hand so badly cut as to necessitate its being amputated.

Pte. John W. Chivers, 3rd Batt. Overseas Contingent, was united in marriage at the home of his parents, Mr. and Mrs. James Chivers, Wyoming, on Monday, August 2nd, to Miss Lillian Gray, of London, Ont., by Rev. J. C. McCracken.

On Wednesday, July 14th, Henrietta Meredith, daughter of Mr. and Mrs. Henry Mustard, became the bride of Mr. David Clifton King, of Detroit.

The ceremony took place at the home of the bride's parents, Fort Haron, and was attended by relatives only of the contracting parties.

Mrs. E. G. MacKenzie, sister of the late Sir George W. Ross, former Premier of Ontario and Liberal leader in the Senate, died Tuesday at the home of her stepson, Hugh F. MacKenzie, East Williams township, in her seventy-fifth year.

She was one of the most respected women in the township, where she had lived all her life.

George Jones, a farmer 24 years of age, had his arm taken off in a threshing machine last week while working at the farm of Charles Jeffs a few miles from Dresden.

He was trying to adjust the belt when his arm caught and was practically torn away.

Dr. McAlpine and Dr. McDonald attended the injured man amputating the arm at the elbow.

What might have been a serious accident at Grand Bend, on Sunday, was turned into a rescue by Lieut. George Wardrobe, of London.

A young lady bathing on the Parkhill side stepped into a deep hole.

The gentleman accompanying her got a mouthful of water and was unable to extricate the girl.

Wardrobe went to the rescue and brought her to shore.—Gazette.

It is now believed that there will be only a half crop of onions on the Pelee marshland.

Up to two weeks ago prospects were the brightest, when an intense hot spell came which, with the excessive moisture in the ground seemed to scald the onions, causing the tops to wilt and dry up before maturity.

The onions are only about half their usual size, which will mean a 50 per cent. loss to the growers.

Sub Sinks Troop Ship

London, August 17.—The British transport Royal Edward, taken over from the Canadian Northern Steamship Company for service in October of 1914, was sunk by a German submarine on Saturday and about 1,000 soldiers and crew drowned.

This was announced in an official British statement, issued to-day, which said—

"The British transport Royal Edward was sunk by an enemy submarine in the Aegean last Saturday morning. According to the information at present available, the transport had on board 32 military officers and 1,350 troops, in addition to the ship's crew of 230 officers and men."

"The troops consisted mainly of reinforcements for the 29th division and details of the Royal Army Medical Corps."

"Full information has not yet been received, but it is known that about 600 have been saved."

The 29th division was composed entirely of British and Scotch regiments.

An official statement issued at Constantinople said that the transport was sunk by a single torpedo and went down in seven minutes.

This is the first occasion since the sinking of the battleship Majestic on May 27 that the German submarines which made the long trip to the Dardanelles have scored a success.

Re-arrangement of Live Hog Prices—W. W. Edwards, hog buyer, has received the following notice from the packers regarding hog prices:—

"Of late there has been considerable change in the prices obtainable for the pork cut from the different grades of hogs."

For some time past we have absorbed these differences. There is now such a market spread in these values that it compels us to re-arrange our live hog prices and, taking effect immediately, the following differentials will be made:—

\$2.00 per cwt. off all sows. \$2.00 " " piggie sows. \$4.00 " " culls. \$1.00 " " cripples. .50 " " select hogs over 250 lbs.

.50c. per cwt. off all select hogs under 140 lbs.

Sarnia's Patriotic Day—Sarnia, August 18.—Sarnia's patriotic day celebration was attended by about 3,000 visitors, it is estimated, including about 800 who came in at 9.30 this morning on a special train from Strathroy and Kerwood, where it was civic holiday.

A parade three miles long, military display by "D" Company, of the 34th Battalion, C. E. F., baseball games at the park, and a dance at the beaches tonight were features of an enjoyable day.

The streets were crowded from an early hour, but traffic regulation was good, and there were no accidents.

Financial proceeds, to go to the patriotic fund, will be a handsome amount. Eighty ladies of the I.O.D.E., selling patriotic day tags, are said to have realized an average of \$20 each—or about \$1,600, as one item, and large numbers paid admission to Bayview Park, where the men of the 34th put on bayonet drill and machine gun practice. Collegiate cadets took tickets at the gates.
