TOO much weight in an automobile means low mileage to each tire and each gallon of gas. Too little weight means wasted power. The Chevrolet "Four-Ninety" Touring Car represents the happy medium in the matter of weight.

THE PROVINCIAL ELECTIONS

The Liberal Government Returned With a Large Majority

July 27th, resulted in the return of the Murray Government at Halifax with a majority of seventeen over all other parties including Farmers, Labor and Conservatives.

Quite a large crowd witnessed the returns from Annapolis County which were promptly displayed on the MONITOR's bulletin board.

This up to date service which appeared to be greatly appreciated by the public, was only made possible by the installation of a special phone by order of the efficient district superintendent of the Maritime Telegraph & Telephone Co., who is also Middleton's popular Mayor, and the excellent assistance rendered by Miss Flossie N. Troop, the local exchange agent and her obliging staff.

The first returns were from District No 15, Morse Road, at 5:15 p. m. the next Clarence, then Hampton, Annapolis Royal, Port George, Thorne's Cove, Bear River, etc. The whole returns were complete at 6:45 with the exception of Mattland which arrived 15 minutes later.

It was difficult to get the exact results in such a short time. When we went to press, however, an error occurred in copying Mr. Elliott's Bridgetown returns from the Bulletin Board. It should have read Bridgetown 227, instead of 127, but like the Hon. O. T. Dunlop's majority the figures were so large, that perhaps a hundred was not very noticeable.

The following is the returns from the entire province:

The new house will have 29 Liberals, 6 Farmers, 5 Labor and 2 Conservatives. Hon. E. H. Armstrong, W. L. Hall, opposition leader, and Col. J. D. Ralston were among the defeated.

Premier Murray was elected in Victoria, but defeated in Richmond. The successful candidates are:

- ANNAPOLIS: Daniels, Lib.; Elliott, Lib.
- ANTIGONISH: Chisholm, Lib.; McGilvray, Far.
- COLCHESTER: Smith, Far; Taggart, Farmer.
- DIGBY: Warner, Lib; Comeau, Lib.
- GUYSDORO: Torey, Lib; Anderson, Lib.
- HANTS: Reid, Lib; MacDonald, Far.
- INVERNESS: Bourinot, Lib; Mackinnon, Lib.
- LUNenburg: Kinley, Lib; Sperry, Lib.
- KINGS: Wickwire, Lib; MacDonald, Lib.
- QUEENS: Dr. Smith, Lib; McClearn, Lib.
- RICHMOND: LeBlanc, Con; McDonald, Con.
- SHELBURNE: Irwin, Lib; Smith, Lib.
- VICTORIA: Murray, Lib; Buchanan, Lib.
- YARMOUTH: Corning, Ind; Melanson, Lib.

- CAPE BRETON: Morrison, Lib; Richardson, Lib; Steele, Lib; Wayne, Lib.
- CUMBERLAND: Allan, Far; McKenzie, Far; Terris, Lib.
- PICTOU: McGregor, Lib; Graham, Lib; MacDonald, Lib.
- HALIFAX: Finn, Lib; Bauld, Lib; Conroy, Lib; Burris, Lib; Douglas, Lib.

A POPULAR EVENT

The Annual Garden Party at Clementsport

The annual garden party at Clementsport next Wednesday afternoon, August 11th, is a popular event which is looked forward to by a large number of people. The drive is a beautiful one at this season of the year and the "Queen of the Basin", as the village is generally called, is certainly at the height of her beauty. It is the place where the stranger is made to feel at home and, above all, the object is a worthy one. We believe that the proceeds will exceed all previous receipts. Rev. A. W. L. Smith, rector of St. Clements Parish, is very popular and the people are planning to present him with a new car. The whole amount could be contributed that day and we trust that it will.

A conscience needs exercise to keep it in a healthy condition.

JOURNALISTS VISIT NOVA SCOTIA

The weather Thursday was ideal for the visit of the Imperial Press Delegation. The party arrived at Kentville during the forenoon in two splendid trains furnished by the Canadian Pacific and Canadian National Railways. On their arrival they were met by cars from Kentville and Wolfville and driven through the Cornwallis and Gasperet Valleys and Wolfville to Grand Pre. At Grand Pre a short address was given by Dr. Cutten, of Acadia University, and a bronze statue executed by the French Acadian sculptor, Henri Hebert, representing Evangeline looking back with tears upon the country she must leave, was unveiled by Lady Barnham, a member of the visiting party. A short address was also given by Sir Gilbert Parker, who was also with the party. After viewing the points of interest at Grand Pre the party was motored to Wolfville, where they again took train and proceeded to Truro en route to St. John, N. B.

There were about 125 persons in the party and they came from all parts of the Empire. They were all loud in their praises of the beauties of our country, and considered the drive they had Thursday the best they had had since landing in Nova Scotia. They are to spend six weeks in Canada and in that time will cover over eight thousand miles.

ANOTHER PLEASANT OUTING

St. Mary's Church, Belleisle, Sunday School Picnic

This event was carried through very successfully last Friday. As intimated in our last issue the afternoon commenced with an auto drive for the children to Granville Ferry, autos being contributed by Bridgetown friends—viz. Mrs. R. Whiteway, Messrs R. H. Snape, W. R. Longmire, and A. F. Hiltz. On returning young and old entered with zest into a series of races and games organized by Sergt Major Gill, D. C. M. until tea time. Then after the inner man was refreshed, came scrambles for candy, peapups and coins, every child getting a share. For those who contributed autos, scrambles, and prizes hearty cheers were given as also for Sergt Major Gill who organized the races and games and Mr. Loran Young for kindly loaning his grounds, and to these cheers the Rector and S. S. Staff would add their grateful thanks to all who in anyway helped to make the day the success it undoubtedly was.
