JAMES FLEMING,

Seedsman to the Agricultural Association of Upper Canada

Toronto, March, 1854.

STUD HORSE FOR SALE.

A BEAUTIFUL BAY HORSE, with black legs, mane and tail; stands sixteen hands and a half high, rising four years old—without fault or blemish. He was got by Mr. Blanchard's imported King George, and is as pure a bred coach horse as can be found in the province.

Further particulars can be known by applying to the proprietor, WILLIAM DRINKWATER, Lot 16, 3rd line west of the Centre Road, Chinguacousy, Co. of Peel.

Feby. 23th, 1854.

SEWERAGE AND DRAIN-PIPE MACHINE.

MR. CHARNOCK begs to state that he will very shortly be prepared to exhibit one of his Machines in operation for Moulding Sewerage and Drainage Pipes of all description, as well as perforated Bricks, &c., and to receive orders for the same.

This Machine has been thoroughly tested in England, and is allowed by all competent judges to be the best extant for the purpose.

Early applications are desirable.

Se's of Drainage Tools, of the most approved kind, supplied.

Hamilton, 15th February, 1854.

HYDRAULIC AND AGRICULTURAL ENGINEERING.

MR JOHN HENRY CHARNOCK, Hydraulic and Agricultural Engineer, (a Member of the Royal Agricultural Society of England, and author of its Prize Report on the Farming of the West Riding of Yorkshire, as well as other papers on Drainage, &c., published in its Journal; and late an Assistant Commissioner under the English Drainage Acts,) begs to offer his Professional Services to the City and Town Authorities, and to the Agriculturists of Canada, and to solicit the honor of their patronage and support.

Having for several years past devoted special attention to that branch of Engineering which embraces more particularly works of Town Sewerage and Water supply, the Drainage, Irrigation and general Improvement of Land, the planning and erection of Sewerage and Drain-pipe works, Farm Buildings and Machinery, together with the laying out of Farms and Ornamental Grounds, Mr. Charnock ventures to think that such experience, coupled with a practical knowledge of the approved systems and appliances of the day, will enable him to render valuable and efficient services to those who may favour him with their commands.

Mr. C. is furnished with testimonials from numerous parties of known standing and repute, which he will be happy to submit to those who may contemplate employing him. And all communications addressed to him, CITY OF HAMILTON, CANADA WEST, will have prompt attention.

JOHN H. CHARNOCK.

OFFICE, JAMES'S STREET, HAMILTON—At Mr. Simms, Land Agent, close to the St. George's Hotel Hamilton, 15th February, 1854.

NOTICE.

DURHAM BULL CALVES.

THE Subscriber does not intend to rear any Bull Calves for sale this Season, unless to Order. Five thoroughbred Cows, Duchess or Bates blood, are now expected to Calve.

Intending Purchasers will, of course, be at liberty to select.

ADAM FERGUSSON.

Woodhill, Waterdown,
February, 1854.

THE CANADIAN AGRICULTURIST,

EDITED by G. BUCKLAND, Secretary of the Board of Agriculture, assisted by Mr. H. Thomson and the Proprietor. It is published on the 1st of each month by the Proprietor, William McDougall, at his Office, corner of Yonge and Adelaide Streets, Toronto, to whom all business letters should be directed.
