

## The Canadian Horticulturist

**SUBSCRIPTION PRICE**, \$1.00 per year, entitling the subscriber to membership of the Fruit Growers' Association of Ontario and all its privileges, including a copy of its valuable Annual Report, and a share in its annual distribution of plants and trees.

**REMITTANCES** by Registered Letter or Post-Office Order are at our risk. Receipts will be acknowledged upon the Address Label.

**ADVERTISING RATES** quoted on application. Circulation, 5,000 copies per month.

**LOCAL NEWS.**—Correspondents will greatly oblige by sending to the Editor early intelligence of local events or doings of Horticultural Societies likely to be of interest to our readers, or of any matters which it is desirable to bring under the notice of Horticulturists.

**ILLUSTRATIONS.**—The Editor will thankfully receive and select photographs or drawings, suitable for reproduction in these pages, of gardens, or of remarkable plants, flowers, trees, etc.; but he cannot be responsible for loss or injury.

**NEWSPAPERS.**—Correspondents sending newspapers should be careful to mark the paragraphs they wish the Editor to see.

**DISCONTINUANCES.**—Remember that the publisher must be notified by letter or post-card when a subscriber wishes his paper stopped. All arrearages must be paid. Returning your paper will not enable us to discontinue it, as we cannot find your name on our books unless your Post Office address is given. Societies should send in their revised lists in January, if possible, otherwise we take it for granted that all will continue members.

### ✧ Notes and Comments. ✧

**THE APPLE CROP** in Western New York is reported to be about one-half a full crop.

**THE OFFICIAL REPORT** of the Annual Fruit Growers' Meeting of Prince Edward Island for 1898 is at hand, and proves clearly that the people there are wide awake to their interests, and are planting apple orchards quite freely, in view of the excellent results obtained from their first trial shipment.

**AT** the recent great International Horticultural Exhibition at St. Petersburg, the Wibolts seed establishment in Nakskov, Denmark, was awarded the highest prize, viz., the largest silver medal for Danish grown cauliflower and cabbage seed.

**RASPBERRY PULP.**—A letter from

Harrison Watson, Imperial Institute, our Dept. of Agriculture, give some encouragement to ship raspberry pulp this season. The old country crop is very short, owing to drouth, and now is the most favorable time to forward some cases for a thorough trial of this industry. We hope our Committee will make preparations for this, and give us a complete and reliable report of the prospects of the trade, because, if a success, it would help the price of the fresh fruit in our country.

**THE WICKSON PLUM.**—On the 21st of July we received a fine sample of this plum, from Mr. W. E. Wellington who has so much confidence in it that he has planted it quite largely to grow the fruit for profit. It is the largest of the Japan plums, a cross between Kelsey and Burbank, and is of such a fine bright red
