This Company will sell its instruments at prices  
ranging from \$10 to \$25 per set. These instru-  
ments are under the protection of the Company's  
patents, and purchasers are therefore entirely free  
from risk of litigation.

This Company will arrange to connect places  
not having telegraphic facilities with the nearest  
telegraph office, or it will build private lines for  
firms or individuals, connecting their places of  
business or residences. It is also prepared to  
manufacture all kinds of electrical apparatus.

Full particulars can be obtained from the Com-  
pany's offices as above, or at St. John, N.B., Hal-  
fax, N.S., Winnipeg, Man., Victoria, B.C.
