of the inmates.

and Teachers, honorary Lectures will be given  
weekly on such subjects as the following: History,

THE CANADA LIFE ASSURANCE COM-  
PANY, HAMILTON.

CONTINUES to grant Assurances upon Lives,  
and to act generally in any of the great vari-  
ety of modes practised by Life Offices. It is the  
only Canadian Company as yet in operation, and  
whose Funds are invested solely in this Province  
at high rates of compound Interest, and on the  
very best Securities, instead of being drained there-  
from and invested at the barely remunerative rates  
obtainable in Great Britain; this, together with the  
past and daily increasing success of the Institution  
(literally unequalled by any British Company)  
fully justifies the Directors in repeating their  
former assertion, that the advantages it offers cannot  
be approached by any Company doing business in  
this Province.

Rates and full particulars may be obtained of
