Is now recognized as the reatest boon offered to suffering humanity. It has, nows and will effect over other known means has failed, liy listeraly, swothing current, that is easily felt, it will cure:

Rheumatism, Sciatics Roduction, Relatica, Spinal Diseases, General Debility, Neuralgia, Lumbago, Nervous Complaints, Spermatorrhea, Dyspepsia,

WE CHALLENGE THE WORLD to show an Electric Belt where the current is under the control of the patient as completely sathly. We can use the same belt on in infant that we would on a glant by simply reducing the number of cells. Ordinary belts are not so. Other belts have been in the market for five or ten years longer, but to day there are more Owen Beltz manufactured and sold than all other makes combined. The people want the best.

BEWARE OF IMITATIONS.

Our attention having been attracted to base imitations of "The Owen Electric Belt," we desire to warn the public against purchasing worthless productions put upon the market by unprincipled men who, calling themselves electricians, prey upon the unsuspecting by offering worthless imitations of the Genuino Owen Electric Bolt that has stood the test of years and has a continental reputation. Our Trade Mark is the portrait of Dr. A. Owen, embossed in gold upon every Belt and Appliance manufactured by The Owen Electric Belt and Appliance Co. None ignuine without it.
