

New York University Medical School.

SESSION OF 1897-1898.

THE session begins on Thursday, September 30, 1897. The curriculum entirely remodeled and greatly improved a year ago, consists of a four years' graded course. Instruction is given by Lectures, Recitations, Clinical and Bedside Teaching, and Laboratory Courses.

Students are admitted to advanced standing in the second year of the four years' course, either on approved credentials from other accredited Medical Colleges, or after examination on the subjects embraced in the curriculum of this college for the first year.

Students coming from other Medical Colleges of recognized standing will be admitted to the remaining year of the original three years' course, after examination in such branches as have already been completed in the curriculum of this college at the time of admission.
