

Major Campbell, C.B., who signed this telegram was Seigneur at St. Hilaire, and a warm friend of Bishop's College up to his death in August, 1872. He was a lineal descendant of the Campbells of Inverawe, and served in several Imperial Regiments, his last I believe being the 7th Hussars. The Faculty of Medicine of Bishop's College owe to him a debt of gratitude for the active interest he took in its formation.

It was decided to send Dr. David to Lennoxville, and he accordingly left that night, to lay before the Board of Trustees a proposition for the establishment of a Medical School in Montreal, in connection with the University of Bishop's College. On the 3rd of February, Dr. David reported to the above five named gentlemen that his interview with the Board of Trustees of Bishop's College had been very satisfactory—the following resolution having been passed by them :

“That it is the unanimous opinion of the gentlemen present at this meeting . . . that the proposal to affiliate to the University the Medical School about to be formed in Montreal, consisting of . . . and others, is one of the highest importance to the University, and with this view the gentlemen now present will request the President of the Corporation at the earliest possible period to call a meeting of the Corporation to consider this proposal.”

On the 9th of March, 1871, a special meeting of the Corporation of Bishop's College was held in the Cathedral school-house (now Synod Hall), the Hon. Edward Hale, Chancellor of the University, being in the chair. A motion accepting the offer of the proposed Medical School, and that it go into operation not later than the following October, was unanimously passed.

The following gentlemen were then appointed Professors in the Medical Faculty of Bishop's College: Charles Smallwood, M.D., LL.D., D.C.L., Professor of Midwifery; A. H. David, M.D., Edin., L.R.C.S., Edin., Professor of the Theory and Practice of Medicine; William H. Hingston,
