The above report shows a marked increase of personal work done among the men. This we believe to be the legitimate work of a Railway Secretary. It is pleasing to note the interest taken by railway men in this work, and we expect to see much fruit as a result.

**P**LEASE take note of meetings for this month, and be sure and attend. Always bring another with you.

**Whosoever shall confess me before men, him will I confess also before my father which is in heaven.—Matt. x. 32.**
